DOVER CITY COUNCIL

ON THE AGENDA

Coming up at the next City Council meeting

Council to hold public hearings on Capital Improvement Program

Public hearings also on zoning, waste collection ordinances

The City Council will hold three public hearings on the proposed FY2028-2033 Capital Improvements Program at its Wednesday, Nov. 18 meeting.

One public hearing is on the six-year planning CIP document itself, which does not authorize or appropriate funding. Another is to authorize and appropriate $4,915,712 for proposed FY2028 non-debt finance projects. The third public hearing is to authorize $16,895,000 in bonding and appropriate that amount for FY2028 debt-financed projects. The list of non-debt and debt-financed projects is included in each funding resolution and within the proposed CIP document. The City Council anticipates voting on these resolutions at its Wednesday, Dec. 9 meeting. The City Council held a workshop on Nov. 4 to review proposed CIP projects.

8:30 a.m. to 3:30 p.m.
Sunday:
8:30 a.m. to 12:30 p.m.

The City Council will hold a public hearing and a subsequent vote on proposed zoning ordinance changes. The Planning Board unanimously endorsed these proposed changes on Oct. 13, following three public hearings and a city-wide mailer alerting residents and property owners to the proposed changes. One section includes revisions to the Transfer of Development Rights (TDR) ordinance, which the Planning Board's TDR Subcommittee recommended and endorsed.

The City Council will also hold a public hearing and vote on changes to the ordinance that governs curbside collection of solid waste and recycling ahead of the July 1, 2027 change to the toter collection system. The proposed ordinance has been revised to allow non-eligible four-unit residential properties to petition to participate if they meet certain operational and safety criteria. As currently drafted, the proposed ordinance would extend curbside collection to residential properties with three units or fewer on public streets and approved private drives, with an application process for four-unit residential properties on public streets and private drives. The City Council held a workshop on the ordinance on Oct. 28.

Also on the agenda are resolutions that would authorize:

- Awarding the redesign of the city's website to Civic Plus, LLC for $117,000 for implementation and first-year services;
- An additional scope of work to the Central Avenue water main project for $1,647,121 to rehabilitate aging storm drain infrastructure along Central Avenue, which will allow for a full width repaving in 2027.

Read the complete agenda.

The meeting will begin at 7 p.m. in City Hall's Council Chambers. It will be televised on DoverTV (Channel 22 for Xfinity and Channel 9010 for Breezline), and online where it will be available on-demand.

School Board to receive FY28 budget presentation Nov. 23

Presentation kicks off budget review workshops

The School Board will begin crafting its FY2028 budget at a special meeting on Monday, Nov. 23, where School Board members will receive a budget presentation.

The School Board will continue its budget review at a Monday, Nov. 30 workshop, which will include departmental budget presentations. The School Board will also have budget workshops on Dec. 7, Dec. 14 and Jan. 4 — all Mondays.

The School Board will also hold a public hearing on Dover's School Administrative Unit (SAU) budget, also known as the central office budget, at its regular meeting on Monday, Dec. 14. Per the new state law RSA 194-C:9, the School Board is required to adopt the SAU budget at a meeting held before Jan. 1, after holding a public hearing. The SAU budget is part of the district's General Fund budget and is not an additional appropriation.

At its regular meeting on Monday, Jan. 11, the School Board will vote to adopt its overall budget, with a backup date of Tuesday, Jan. 12. By city ordinance, the School Board's budget is due to the City Manager annually by Jan. 15.

The School Board's adopted budget will be presented to the City Council during its review process that begins in mid-February. The City Council will also hold a public hearing on the School Board's adopted budget during its budget season. The City Council adopts the overall city budget annually by April 15. The new fiscal year begins on July 1.

The City Council and School Board will meet for their annual joint fiscal meeting on Wednesday, Dec. 9, for preliminary budget discussion and to receive the preliminary FY28 tax cap calculation.

All School Board and City Council budget meetings and workshops will be televised on DoverTV (Channel 22 for Xfinity and Channel 9010 for Breezline), as well as online where it will be available on-demand and posted to the city's FY2028 Budget Revealed webpage.

Temporary warming center opens if needed starting Nov. 15

Veterans Hall to be used from Nov. 15 to Dec. 15

The emergency cold-weather warming center will be activated, if needed, for life-threatening weather conditions beginning Sunday, Nov. 15. Activation occurs when extreme or severe weather conditions are predicted between 4 p.m. and 9 a.m. from Nov. 15 to April 15.

From Nov. 15 to Dec. 15, 2026, the Ronald "Bunny" Belhumeur Veterans Hall at 156 Back River Road will temporarily serve as the emergency cold-weather warming center. The new permanent Strafford County Warming Center is anticipated to open around Dec. 15, 2026. If the opening is delayed, the county will need to identify a new warming center location, as the Veterans Hall will not be used beginning on Dec. 16, 2026.

There will be no drop-in or daytime activities at Veterans Hall. The building and property will be closed after activations, as it will be used solely as a life-safety warming center. Those transported to the center for the night by the warming center operator will be transported back the following morning. The center will be operated by East Coast Evolution Leadership, the same organization that has operated the warming center in Somersworth the past two years. Strafford County administers the operation contract.

To be alerted when Veterans Hall is activated, subscribe to email updates by selecting "Veterans Hall Warming Center Activation." Please note, this alert is only for Veterans Hall activations; it will not be used when the new permanent warming center opens.

For more information, visit the city's Warming and Cooling Centers website.

Volunteer boards help keep Dover vibrant

The City of Dover is a vibrant community due in large part to the significant energy and talent of citizen participation on the city's many boards, committees, and commissions. Input from these boards, committees, and commissions helps guide Dover's policy decisions.

Want to get involved? There are currently committees seeking members to fill regular and alternate member vacancies, including:

- Downtown Dover TIF

Waste Management will pick up bagged leaves on the same day as curbside trash and recycling. Please note that pickup is delayed by one day on Thursday, Nov. 26, and Friday, Nov. 27, due to the Thanksgiving holiday.

Leaves must be placed curbside in biodegradable paper leaf bags. No brush will be accepted. Paper bags can be purchased at local hardware or home improvement stores.

Grass clippings, leaves, brush and yard waste are also accepted at the Recycling Center during regular operating hours, Tuesday, Thursday and Saturday, 8:30 a.m. to 3:30 p.m., and on Sundays, 8:30 a.m. to 12:30 p.m. from Sunday, Nov. 1 through Sunday, Dec. 6.

Payne Street closed next week

Towne Drive now connects to Seaport Way

As part of the Henry Law Avenue and Payne Street reconstruction project, Payne Street will be closed day and night for a week starting on Monday, Nov. 16, 2026. The closure is to allow utility work.

This Payne Street closure is anticipated to last a week. However, a longer-term closure of Payne Street is expected to occur in the next few weeks when work transitions to its next phase on Henry Law Avenue.

Upper Henry Law Avenue also remains closed between Washington Street and the municipal parking lot for the indoor pool and children's museum. Lower Henry Law Avenue is open in both directions from Payne Street to the municipal parking lot. The municipal lot is open, along with the playground, pool and museum.

When Payne Street is closed, Towne Drive will be open from Henry Law Avenue to Seaport Way. As part of the waterfront improvements, the city's contractor recently stabilized and improved the conditions of Towne Drive to maintain access to the dredge cell in Maglaras Park and provide an alternative access route between Henry Law Avenue and Washington Street when Payne Street is closed. Please note that Towne Drive is a gravel road.

In the near future, the Henry Law Avenue/Payne Street project will move into phase 2. When that occurs, upper Henry Law Avenue will be open from Washington Street to the municipal parking lot in both directions. Lower Henry Law Avenue will be closed from the parking lot to Payne Street, and Payne Street will also be closed.

For more information, contact Community Services at 603-516-6450.

Detours remain in effect for Central Avenue water work for one more week

Garrison Hill to be closed during construction hours

Southbound vehicle traffic will continue to be detoured around the Central Avenue water main work during construction hours next week. Commercial truck traffic will be detoured via Glenwood Avenue and Sixth Street. Passenger vehicle traffic will be detoured via Abbott Street, Mount Vernon Street, and Reservoir Street.

The detour will remain in effect until water main work moves off of Central Avenue. When work occurs on Abbey Sawyer Memorial Drive, including at its Central Avenue intersection, the road will be closed to all non-local traffic during construction hours.

The work is part of the Central Avenue Urban Core Water Improvements to replace a critical water transmission line on Central Avenue from Broadway to Abbey Sawyer Memorial Drive, and on Abbey Sawyer Memorial Drive to the water tank. S.U.R. Construction, Inc., of Rochester, is the contractor for the project.

For more information, contact Community Services at 603-516-6450.

Rollins Road water main work continues

Oak Street/Broadway/Rollins Road intersection work Nov. 18-19

Water main work will continue on Rollins Road next week as part of the project to replace the water main and services on Highland Avenue and a section of Rollins Road.

On Wednesday, Nov. 18 and Thursday, Nov. 19, the contractor anticipates working in the Oak Street/Broadway/Rollins Road intersection to connect the new main. Traffic delays should be expected in the area between 7 a.m. to 4 p.m. both days.

For more information, contact Community Services at 603-516-6450.

Dover Download 'Question of the Week'

We want to hear from you. In each edition of Dover Download, we're looking for your response to our question of the week. A new poll will appear each week in Dover Download, along with the results for the previous week. Participating is easy. Click on the link below to cast your vote.

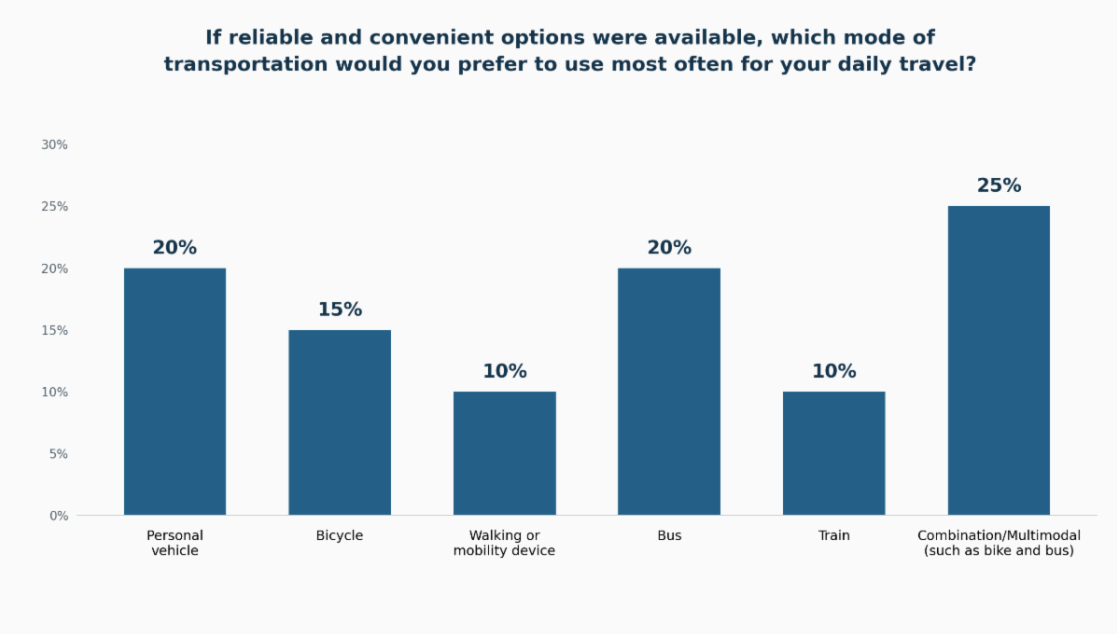
This week's question:

"How satisfied are you with the availability of information about city boards, committees and commissions?"

Let us know.

Please note that if you don't already have an account with Polco, the city's polling system, you will be asked to create one. Responses are anonymous.

Here are the results from last week's poll:



The following events are from various historical records, sources, and texts about the history of Dover.

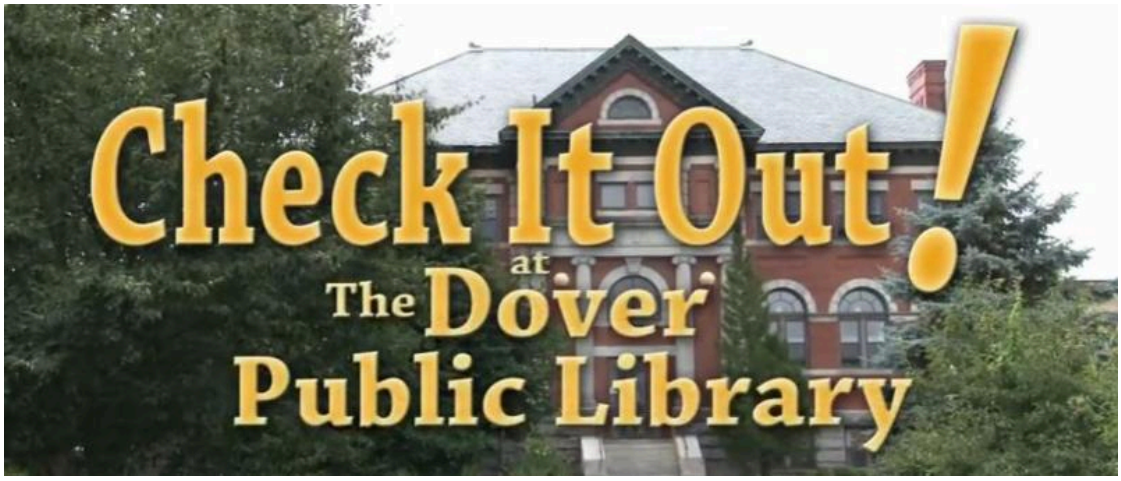
For more on the history of Dover, visit the Dover Public Library, Locust Street, and the Woodman Museum on Central Avenue. The Public Library also maintains an online collection of historical information.

Nov. 18, 1755 — A powerful earthquake shook Dover and much of New England shortly after 4 a.m. A diary account reproduced in Dover's historical records compared the shaking to the earthquake of Oct. 29, 1727, describing it as nearly as strong, though less noisy. Known today as the Cape Ann earthquake, the event originated offshore from Massachusetts and caused damage in eastern Massachusetts, eastern New Hampshire and southern Maine. The following week, John Winthrop, Harvard College's Hollis professor of mathematics and natural philosophy, delivered a lecture examining the causes of earthquakes. His address reflected an effort to explain through natural processes an event that many people understood as a religious warning.

Nov. 13, 1833 — An extraordinary meteor shower drew the attention of Dover residents awake between 3 and 4 a.m. The display was part of the great Leonid meteor storm, witnessed across eastern North America before dawn. The apparent shower of falling stars occurred as Earth passed through a particularly dense trail of debris left by Comet Tempel-Tuttle. The spectacle also prompted scientific investigation. Yale professor Denison Olmsted gathered eyewitness observations through newspaper appeals, receiving reports from across the eastern half of North America and helping advance the study of meteors.

Nov. 19, 1856 — A celebration of James Buchanan's presidential election turned fatal on Garrison Hill when a cannon discharged prematurely, killing George S. Clark, 26, of Dover, and John Foss, 23, of Strafford. Local Democrats had planned a torchlight procession, music, fireworks, a speech at City Hall and a 100-shot cannon salute. Organizers purchased a cannon at the Portsmouth Navy Yard, brought it upriver by gundalow and used oxen to haul it up Garrison Hill. They named it "The Constitution." According to John Scales' later history of Strafford County, the accident occurred while the men were loading the second charge after the first shot. Foss died immediately; Clark died later that evening. A third man, Charles Philbrock, suffered a burned finger. As word reached the procession downtown, the march broke up on Third Street and the remaining festivities were canceled.

Nov. 14, 2004 — On this day, then Gov. Craig Benson nominated Stephen Morrison as Dover District Court's new judge, replacing Robert Cullinane, who would retire in December of that year. Morrison, then 55, had been the associate justice at the court since 1986, when Gov. John H. Sununu appointed Cullinane to full-time status. A special justice works part-time as a judge, while still maintaining a private law practice. A Dover native, Morrison had also been a former prosecutor with the Strafford County Attorney's Office and served as Dover's city attorney. A graduate of St. Thomas Aquinas High School in Dover, as well as Assumption College and Suffolk University Law School, Morrison had been in private practice since 1977. In 1979 Morrison became a partner in Gregoire, Morrison & Indorf. Morrison announced his retirement as Dover District Court judge in 2016, but did remain involved as a senior active judge, meaning he could still hear cases until he turned 70 years old in 2019.



Meet author Brinda Charry virtually and learn about Indian stage magicians in 1800s Boston

For New Hampshire Author Brinda Charry, it has always been important to write stories connecting her homeland of India with her new home in New England. Her latest book is no exception.

“Hocus Pocus” follows a young magician as he travels from India to the United States in 1816 seeking fame and fortune – all while hiding a secret. Charry took inspiration from real life to write the story, using research about renowned, real-life Indian stage magicians who performed in the United States during the 1800s.

Meet Charry, hear more about her book and learn the true story behind it virtually with Dover Public Library on Monday, November 23 at 7 p.m.

This program is in partnership with Tewksbury Public Library. Register to receive a link to the live stream. The presentation will also be recorded and sent to registrants unable to attend live within 48 hours of the program.

“Hocus Pocus” has received starred reviews from Kirkus, Publishers Weekly, and Library Journal. It has also received recommendations from the Boston Globe and New York Times.

Charry came to the United States from India as a graduate student in 1999. After graduating from Syracuse University in New York, she accepted a position at Keene State College where she has been an English professor since 2005. Her first novel, “East Indian”, was awarded the Society of American Historians Prize for Historical Fiction, and was shortlisted and longlisted for several other awards and recognitions.

The program is free and open to the public. For more information, visit the library’s website or call 603-516-6050. Dover Public Library hours are Monday-Thursday 9 a.m.-8:30 p.m., Friday-Saturday 9 a.m.-5 p.m., and Sunday 1-5 p.m.

Report crimes anonymously to Dover CrimeLine

Dover CrimeLine is a community partnership between residents and the Dover Police Department that allows people to anonymously share information about criminal activity.

Anyone with information about a crime can call Dover CrimeLine at 603-749-6000 or submit an E-Tip through www.dovernhcrimeline.org. Tipsters remain anonymous and may be eligible for a cash reward of up to $1,000 if their information leads to an arrest or indictment.

Dover CrimeLine was established in 1991 to enhance public safety and reduce crime in the city. Since then, thousands of tips have contributed to arrests and investigations, with more than $34,000 in rewards authorized.

Tipsters are reminded that Dover CrimeLine is not an emergency service. If a crime is in progress or has just occurred, call 911 or the Dover Police Department's nonemergency line at 603-742-4646.

For more information or to learn how to volunteer with the CrimeLine board, visit www.dovernhcrimeline.org.

Blood donations saves lives

Every two seconds someone in the U.S. needs blood. It is essential for surgeries, cancer treatment, chronic illnesses, and traumatic injuries. Whether a patient receives whole blood, red cells, platelets or plasma, this lifesaving care starts with one person making a generous donation.

Thousands of patients rely on lifesaving blood donations every day. The average red blood cell transfusion is approximately 3 units; a single car accident victim can require as many as 100 units of blood. The need for blood is constant.

Schedule a blood donation appointment through the Red Cross Blood Donor App, visiting RedCrossBlood.org, or calling 1-800-RED CROSS (1-800-733-2767). Learn more about the donation process.

Upcoming blood donation opportunities in Dover

- Thursday, Nov. 19, 12:30 p.m. to 5:30 p.m., Dover Baptist Church, 151 Washington St.
- Tuesday, Nov. 24, 10 a.m. to 3 p.m., Dover Moose Hall, 45 Chestnut St.
