- Section 3 All vacancies in Members positions shall be posted for five (5) days in all departments or divisions covered by this Agreement and Members in good standing shall be given the opportunity to apply for these jobs.
- Section 4 The City may continue to utilize temporary help and or assign an employee to fill a vacancy on a temporary basis for a period not to exceed ninety (90) days. This provision shall not affect the City's ability to contract with vendors for services and/or for the completion of specific projects.

- Section 6 Upon being offered a promotion or transfer to a new position, current employees may be required to undergo medical tests, procedures, or examinations to establish their fitness to safely perform the new job for which they have applied. Such fitness for duty determinations shall not have an adverse impact on an employee's current position provided they are not endangering the health and safety of themselves or others.

ARTICLE VIII: SENIORITY:

- Section 1 There shall be three types of seniority:
- a) City Employment Seniority
 - b) Departmental Seniority
 - c) Classification Seniority
- Section 2 Seniority shall prevail in matters concerning layoffs and re-hiring. Any Member scheduled for layoff shall be provided a written notice within a reasonable period of time from when an intent to layoff is confirmed by the City provided there is a minimum of thirty (30) days written notice before involuntary termination. Qualified and available regular Members shall be reinstated before new Members are hired. Members subject to recall, as outlined herein, shall not forfeit their recall status if they refuse an offered position that is dissimilar in job classification or hours. The Member shall notify the City of his/her intention to return to work within ten (10) calendar days of the City's notification to do so, and must return to work within fifteen (15) calendar days of notice, otherwise, he/she shall be considered permanently terminated from City employment. The obligation of the City to notify a former Member shall not exceed beyond three (3) years from the date of layoff, with said Member being obligated to notify the City of changes in address, and written notice being given by mail by the City to the last known address shall be deemed proper notice.
- Section 3 Departmental Seniority shall be considered in matters concerning promotion and transfers as set forth in ARTICLE VII of this Agreement.
- Section 4 No Member shall have the right to replace another Member in any position by virtue of Departmental or Classification Seniority alone, except in the event of a permanent lack of work or layoff in any position. In no event shall a regular, part-time member have bumping rights over a regular, full-time member. Seniority for this purpose shall be determined by the length of service at their current full-/part-time status.

The following definitions shall be used when considering member bumping:

City Employment Seniority: City employment seniority shall mean the total number of years a member has been an employee with the City of Dover as a regular full- and/or part-time employee.

Departmental Seniority: Departmental seniority shall mean the total number of years a member has been an employee of a department as a regular full- and/or part-time employee. The City Departments

Collective Bargaining Agreement
Dover Municipal Employees Association
FY22 – FY24

are Community Services, Executive, Finance, Fire & Rescue, Human Services, Planning, Police, Public Library, and Recreation.

Classification Seniority: Classification seniority shall mean the total number of years a member has been employed in a classification category as outlined in the City's Classification Plan.

It is agreed that the Department Head will make the decision when determining bumping eligibility. Bumping shall be confined to positions that are at the same or lower classification/grade level. It shall not be restricted to one department if the classification/grade level is the same or lower across departments.

It is agreed the following steps shall be taken in order to determine the proper exercise for bumping eligibility:

1. When a position held by a member of the bargaining unit is identified for layoff, the member with the least seniority in the classification category shall be deemed the member subject to layoff.
2. Human Resources shall provide, to the Department Head, a list of members with less City employment seniority that are at a classification/grade level equal to or less than that of the member subject to layoff.

The Department Head will consult with Human Resources and another Department Head, with no vested interest in the outcome, to discuss whether a member subject to layoff can properly exercise bumping or not. A decision shall be determined on the basis of the member's City Employment Seniority, Departmental Seniority, and Classification Seniority, as well as, the member's area of education, training, and skills as outlined in the position's official job description which enables the member to perform the normal duties and tasks of the position which the member seeks as outlined in the job description with a reasonable amount of training. Reasonable training is hereby defined as on the job training for a minimum period of six (6) weeks. Up to one year additional time may be granted to meet minor licensing/certification requirements on the position, provided the member can perform at least 70% of the tasks and duties defined in the official job description. The cost of any City required outside education will be borne by the City. Outside education requests by the member shall be addressed according to Article XX:

Educational Incentive Reimbursement, in the Collective Bargaining Agreement Between the City of Dover and DMEA.

If the same tasks and duties appear in the job description of the member seeking to move into the new position as are set forth in the position to which that member wishes to move, than it is assumed that the skill set to perform said tasks and duties is transferable.

3. Upon completion of the consultation, the Department Head shall render a decision as to whether the member subject to layoff may properly exercise bumping or not.
4. The Department Head shall notify DMEA about the impending layoff and his/her decision regarding the members' bumping eligibility status prior to notifying the member designated for layoff.
5. If, after notifying DMEA, the Department Head stands by his/her decision, the Department Head shall notify the member subject to layoff, in writing, with at least thirty (30) days' notice as outlined in Article VIII: Seniority, Section 2. Notification of layoff to the member shall include duplicate copies to the member's personnel file, Human Resources, and the DMEA President.

Section 5 When bidding on a new job (via promotion or transfer), the Member shall have a trial period of thirty (30) days in which he/she shall have the right to be reinstated to his/her previous position if he/she so desires.

Section 6 A Member shall not forfeit seniority or benefits during absence caused by illness or injury resulting in total temporary disability as provided in ARTICLE IX, LEAVES OF ABSENCE, Section 3, Personal Leave and Accident Disability or ARTICLE XV: WORKERS' COMPENSATION.

Section 7 When a member transfers from one department to another, or is promoted within, the date of original employment with the City shall count as the starting date for purposes of seniority as they apply to longevity pay, sick leave, and vacation benefits. Classification seniority shall apply from the date of appointment to the most current position. Classification seniority and/or department seniority shall be distinguished from overall longevity or employment with the City.

Section 8 Members who leave the employ of the City for a period greater than twenty-four (24) consecutive hours, and who do not work at

least one (1) normal workday by reason of their termination of employment with the City, shall be considered permanently severed from employment with the City. Should a former member return to the employ of the City in either his/her former department or another department within one (1) year from the date of termination, he/she shall be entitled to consideration for the purposes of longevity pay and vacation benefits only. In all other respects, the re-employment of a former member shall be considered as a new employment subject to all rules and regulations for new employees as of the date of their most current appointment.

ARTICLE IX: LEAVES OF ABSENCE:

Section 1 Military Service:

Any member who is a member of the National Guard or Military Reserves, and is required to undergo training or serve on active duty therein, shall be entitled to a leave of absence with pay for the period of such training or active duty, but not to exceed ten (10) work days in any one fiscal year, and any such leave shall not affect the member's annual vacation leave. The amount of compensation paid to such member for such leave of absence shall be the difference between the member's compensation for military activities as shown by a satisfactory statement by military authorities giving the member's rank, base pay and the amount of the member's regular weekly pay. If the member's base pay for military service is equal to or greater than the pay due as a City employee for the period covered by such military leave, then no payment shall be made. Additional unpaid military leave shall be provided in accordance with federal and state regulations.

Section 2 Personal Sickness and Injury Leave:

2.1 Eligibility

2.1.1 Each regular full-time member and regular part-time member on a pro-rata basis will be eligible for up to ten (10) paid excused days per contract year for personal illness or injury excepting new hires who must first complete the probationary period. Sick leave, at the discretion of the department head, may be granted in an instance of illness of a member of the member's immediate family.

2.1.3.2 An eligible member may elect to donate any of his/her accrued grandfathered sick days to another member in need, at the time of the need.

2.1.4 At the discretion of the department head, and at no cost to the member, a doctor's certificate, the cost of which shall be borne by the City, may be required for any absence due to personal sickness or injury in excess of three (3) but less than six (6) regularly scheduled workdays. Any absence in excess of five (5) regularly scheduled workdays will require a doctor's certificate for payment eligibility as provided in this ARTICLE, Section 3, below, Short Term and Long Term Disability.

2.1.5 It is understood that abuse of sick leave may result in disciplinary action to the member consistent with ARTICLE XVIII, DISCIPLINARY PROCEDURES.

2.2 Prior carry-over:

2.2.1 Incumbents on roll effective July 1, 1993, who previously had negotiated accrued carry-over sick leave will be grandfathered for purposes of retaining such negotiated accrual.

2.2.2 Incumbents with such accrual may supplement eligibility limits as provided in 2.1 and subject to the provisions of 2.1.4 above as may be needed.

2.2.3 Upon termination, incumbents grandfathered under 2.2.1 will be paid an allowance of any unused accrual based on the following:

Retirement under the applicable New Hampshire Retirement Group or Layoff-				75%

* non-job related	-			75%
* job related	-			100%

Members having grandfathered sick leave accruals may make application to receive a cash payment to “buy-down” all or a portion of such accruals. To be considered for a grandfathered sick leave accrual “buy-down” payment, a member will be required to complete and submit an accrual buy-down election form during the annual Benefit Open Enrollment process which shall then be considered by the City as part of the annual budgeting process. Subject to annual funding availability and other limitations as may be established by the City, payment for all or a portion of the requested “grandfathered sick leave buy-down” shall be made weekly during the corresponding benefit plan year. Any grandfathered sick leave buy-down payment made to a member shall be calculated at the member’s base hourly rate in effect the first full pay period immediately following July 1 of the corresponding benefit plan year with grandfathered sick leave accruals awarded at 75%. Should employment with the City be terminated within 12 months of receiving a “buy-down” payment, a member shall be responsible for reimbursing the City 25% of the payment attributable to grandfathered sick leave.

Section 3 Short Term and Long Term Disability

3.1 Short Term Disability (STD)

3.1.1 For members working 20 or more hours per week, the City shall provide, and pay 100% of the premium for, Short Term Disability (STD) insurance providing for 66 2/3% of the member’s base salary for up to 26 weeks. The City shall continue to pay members their regular base salary during the period that their claim is being processed for acceptance or denial. If the claim is denied the member’s leave will be charged for the time of absence. If the claim is subsequently approved, the City shall reinstate the leave taken beyond the initial elimination period. Members shall be required to use one (1) sick day for an accident and one (1) regularly scheduled work week for illness to be eligible for disability benefits. For members not having sick leave, annual leave may be utilized to fulfill the required waiting period. Each year during open enrollment if a member elects to donate one sick (1) day, the member shall be entitled to receive 100% of their base pay during the short term disability

Collective Bargaining Agreement
Dover Municipal Employees Association

period. Members that opt to not donate one (1) sick day shall only be eligible to receive the STD benefit payment of 66 2/3% their base salary, unless they opt to use their own accrued leave. During the STD period, members shall continue to accrue annual leave and all other benefits under the contract.

3.1.2 Temporary Alternative Duty may be assigned if an employee is deemed to have some work capacity during the period of disability. Temporary Alternative Duty shall be based upon the work capacity established by a medical professional. Second and possibly third physician opinions may be requested if there is concern relative to the employee's treatment program, work capacity, or expected recovery period. This provision in no way supersedes any requirements through the insurer.

3.1.3 If at week twenty five (25) of STD it is evident the member will not be able to return to full duty, the City shall payout to the member all accrued, unused annual leave, not to exceed 300 hours as well as health and/or dental buyout, if applicable. Payout of any other leave and/or benefit amounts shall be in accordance with language in the collective bargaining agreement. If at the end of the STD period (26 weeks) the member is unable to return to full duty the member may be separated from service, unless in a grandfathered status. Members hired prior to the date of signing shall be placed in a non-pay status until such time as the schedule provided for job reinstatement under Long Term Disability has been exhausted. With the inability to return to work the member shall be eligible to apply to transition to Long Term Disability (LTD). Payments to new members shall be prorated for the fiscal year based on when their coverage would have begun. Should employment with the City be terminated, a member shall receive a prorated payment as part of any severance amount.

Section 5 Life Insurance: The City agrees to provide regular full-time and part-time members at no cost to the member term life insurance in the amount equal to the next even \$1,000 of his/her salary with double indemnity in a job-related accident.

Section 6 457 Matching Incentive Program and Retired Employee Health Insurance Coverage:
Paid health insurance coverage for employees retired with a minimum of 20 years of service shall be grandfathered and will continue to be provided for those employees active on or before December 9, 1999 per the terms and conditions indicated below. All employees hired after December 9, 1999 shall not be eligible for this benefit but will have the option of participating in an employer sponsored 457 program allowing for a 50% matching City contribution capped at \$1,500/year per employee. Effective July 1, 2022 the City contribution shall increase and be capped at \$1,800/year per employee. Current employees eligible for the paid retiree health insurance coverage will be provided the option to forgo such future paid health coverage by electing to enroll in the employer sponsored 457 savings program and receiving a 50% matching City contribution capped at \$1,500/year per employee. Effective July 1, 2022 the City contribution shall increase and be capped at \$1,800/year per employee. City contributions shall be paid weekly.

6.1 For those employees retaining the paid health insurance coverage for retirees benefit, the City shall pay the full monthly health insurance premium for a regular full-time retiree with twenty years continuous employment with the City. This retiree health benefit shall be at no cost to the retiree and is limited to the City's group health insurance benefit plan available to active members of the bargaining unit. In the event no City group health insurance is available to the active members of the bargaining unit, the City's sole

Section 8 The City's third-party administrator of health and dental insurance plans identifies a surplus for a specified plan year.

Surplus eligibility is determined by employee participation in the health and/or dental plan for the surplus plan year and for employees having a premium cost share through payroll deductions. Employees opting for the health and/or dental buyout during the surplus plan year or employees not having a cost share of the premium, are not eligible for a portion of the surplus rebate. Surplus rebates are provided to active employees through the City's payroll system and to retirees through Accounts Payable.

If a surplus has been identified, a list of potentially eligible employees is provided to Human Resources with a surplus dollar amount for each.

Health Insurance rebates are determined as follows:

Percent of employee contribution (if any) x the total surplus amount for member

(Example: Access Blue 5% Employee Contribution x \$1,100 [surplus amount] = \$55 rebate to employee/retiree).

Dental Insurance rebates are determined as follows:

Amount of Employee Annual Contribution (if any) / Total Annual
Cost of Premium = Percent

Percent x the total surplus amount for member

(Example: $\$176 / \$570 = .308 \times \$100 = \30.80 rebate to
employee/retiree).

Section 9 Health insurance premium savings realized by the City from new or additional health plans having lower costs (other than those currently offered by the City) shall be shared equally with a member choosing the new or additional health plan. The savings to be shared with the member shall be calculated only for the year in which the plan offering becomes available for all members. Such amount shall be paid to the member as a lump-sum on a one-time basis during January of the initial plan year.

Section 10 The City and the Association agree to further study and consider the implementation of alternative insurance offerings including the introduction of a lump-sum cafeteria benefit program.

Personal Sickness and Accident Disability:

3.1 Eligibility

- 3.1.1 A regular full-time employee will be eligible for Personal Sickness and Accident Disability benefits beginning with the sixth regularly scheduled workday of absence upon presentation of a physician's certificate based on the following schedule:
- | | |
|-------------------------------|-----------------|
| 6 months but less than 2 yrs: | 6 wks full pay |
| 2 yrs but less than 5 yrs: | 12 wks full pay |
| 5 yrs but less than 10 yrs: | 20 wks full pay |
| 10 yrs but less than 15 yrs: | 36 wks full pay |
| 15 yrs but less than 20 yrs: | 48 wks full pay |
| 20 yrs +: | 52 wks full pay |
- 3.1.2 An employee having grandfathered sick leave under the provisions of ARTICLE XI, Section 3, Grandfathered Personal Sickness or Injury Leave, may utilize such accruals to supplement the provisions of 4.1.1 in the event the term of a disability exceeds the employee's eligibility schedule provided in 4.1.1.
- 3.1.3 In order to maintain paid Personal Sickness and Accident Disability Leave, employees shall provide ongoing evidence that they are under the ongoing care of a physician. Should the employee's health provider or a health provider selected by the City determine that the employee is permanently unable to return to the former position, with or without accommodation; the employee will no longer be eligible for this benefit. This revision shall be subject to Section 4.2, Second and Third Medical Opinions. Employees may be required to be examined by a health care provider of the City's choosing with any out of pocket expenses not covered by the employees insurance to be paid by the City. Reinstatement from a disability absence will require a physician's certificate verifying the employee's fitness for work.

- 3.2 Second and Third Medical Opinions
- 3.2.1 The City may, at its expense and discretion and as a condition for continued coverage or reinstatement, schedule an employee absent under this Article to see a second physician of the City's choosing if it has reason for concern relative to either the employee's treatment program or expected recovery period.
- 3.2.2 In the event that there is a difference of opinion between the employee's treating physician and the City's second opinion physician, the City may at its expense and discretion and as a condition for continued coverage or reinstatement, schedule the employee for a third medical opinion with a physician mutually agreed upon by the treating and second opinion physicians to resolve any discrepancy between treating and second opinion physicians.
- 3.2.3 The City will rely on the above process in determining eligibility for continued coverage or reinstatement.
- 3.2.4 An employee who refuses to provide evidence of ongoing treatment, and/or refuses to submit to second and third medical opinion diagnosis and/or to modify the treatment program as determined appropriate through second/third medical opinion process shall be considered as resigned.
- 3.2.5 If, after receiving benefits for a medically certified disability absence, an employee returns to work for less than two weeks and becomes disabled again for the same or another disability, benefits will resume on the first day of absence. If an employee returns to work for two, but less than 12 weeks, benefits will not start again until the sixth regularly schedule workday. In either case, the duration of benefits paid during the previous absence is counted in determining the amount and duration of benefits regardless of whether the absences are due to the same or a different cause.
- 3.2.6 After 12 weeks back at work an employee will again be eligible for the full benefit payment schedule as provided for in 4.1.1 above.
- 3.2.7 An employee who is eligible in accordance with the provisions applicable to his/her NHRS group may retire should he/she continue to be disabled following expiration of benefits provided he/she, if grandfathered under the provisions of ARTICLE XI, Section C Sickness, has first exhausted all accruals.

In no case shall the application of full and/or partial benefits extend beyond the benefit schedule provided.
