November 10th 1753

Pursuant to the Order of the Subscribers by the votes
of the Town of Dover and Rochester Pursuant to the same
We the Subscribers have preambulated the line between
Dover and Rochester as followeth that is to say beginning at
a Dry pitch pine tree standing at a place now known by the
name of Mat point by Salinon falls River the said Dry pitch
tree standing three Rods Due Southwest from the Lower side
of a certain Cove next adjacent to the uppermost head of
the Little Falls (so call.) and above the head of the Riffing
of the water and fifteen Rods and three feet South Sixty Deg^{rs}
West from a Large Round Rock near the middle of the River
at the head of said falls and Riffels and five Rods Due South Thirty
two Degrees East from a Large white Birch standing by said
River. Which Dry pitch pine tree was proved by a number
of Evidances to be the original head bounds of Dover We
began at said tree and run South about forty two Degrees West
and spotted above the old spotted trees which was in the course
which course Leads through a Vault in the Earth Commonly
Known and called by the name of the Hopper on the Westerty
Side of Cocheche River to the Edge of the hill on the Westerty
Side of the said Vault the line ending between two pitch
pine trees, which is marked a number of Letters and the
Date of the year marked on said trees Preambulated by us

By the Selectmen y^e
14 of 11th mo 1655

Ordered that whereas there is Grants made of severall
Saw mills to severall Townes at present by these Dates to be given
there about the first of March it is ordered that from all such Mills
there is to be paid according to these severall indentments the first of
March next 1656 unto for two years past & so from every such mill

2ly it is ordered for the clearing of the accounts of the town from
year to year if any such persons or persons that shall charge
the said town they are to bind in their own hands of their
charges and that the same is to be entered upon the record

3ly It is ordered to Mr Vallintine Hill or his Assignes full liberty
to pull through our Towne for Drawings of parts of the water
of Lampwells River in to oyster River for the supply of his mill
there provided that the said Hill or his Assignes in soe doinge
doe not prejudice any former Grants by water or by land
and that in case the said Hill or Assignes shall soe drawe too
through by the Grant of Lampwells River that then the
water course that hee or his Assignes run it shall cease and
run in the former course as alle so that in case they cut through
any his wayes then they are to make sufficient bridges or
bridges for foot and horse and to maintaine the same soe long
as they make use of the said water course & alle so they
are to stopp up the said water course at their own charges
in case they pass up the said Grant of Lampwells
River

4:1:56

At a publick meeting of the Inhabitants itt now agreed that
Mr Vallintine Hill of oyster River for the clearing of the bounds
between the town of Dover and Exeter and also the bounds
of the Grant made to the said town of Dover made to
the said Hill of Lampwells River and accommodations for timber
to the said River belonging for erecting of a saw mill
that the said Vallintine Hill shoulde hereby be allowed to
take one or two more of the inhabitants of the said Dover with
him to appoint some of the town of Exeter to give them
a meeting for the setting forth the line allways provided
that the said Vallintine Hill shall not be to performe this
order sometime before the Date of these orders and the next
Sessions of the Generall Court at Boston that the said Hill
shall for ever after be discharged from laying any
claim to the said Grant of Lampwells River and appoyntment

01
The Adjournment of the Generall Towne meeting
to the 22th of the 12th mo 1656

- 1 Who ever there is a lease in writt in order dated 10. 11. 15. 56 that there shall be no more grants of land made to any of the present inhabitants or to any other unless all the grants that are made according to be layd out and bounded this order is hereby Resolved in point of time
- 2th That all new Grants are not to take place before the last of November 1657 and that who ever there is an old grant North and the Park kinder Gages Hall and the Layton for Godthorpe East walden William Wintworth for Blodpoynnt William Furber and Henry Lambton for Oyster River the footman and the Chirford and also the old grants are to be layd out in this time mentioned and upon the defect thereof the new grants may be since have power to take place to be layd forth and in case the men appointed neglect there office to see one month of the time specified then the parties themselves have power to call for the same from the first men appointed by the town or any three of them with an upon their oath

Be it knowne unto all men by this present that I William Beare and to Godthorpe with my wife Elizabeth Beare sworn in the town of Dover in the County of Norfolk for and in consideration of 3000 and twenty pounds Sterling have given granted bargained and sold a certain parcel of wold and meadow lying in Oyster River parishes of ward parving and Henry Beare unto these his heirs and assigns ~~Robert Beare~~ and administrators By consent of every of these parties aboves mentioned the River being on the one end bounded by East and west the non side of it north of and south west the other side of it and the above said Robert Beare and Henry Beare to have five Acres and Request thereof my land toward the Common witness my hand and seal this 9th 12th mo 1657

Sealed and delivered
in the presence of
Robert Burnom
