at a Publick Town meeting held at the meeting house at Cochecho in Dover on Tuesday the fourth Day June 1745 first a motion was made by some Gentlemen in Said meeting that some things had been wrongly Represented and that it was Reasonable that the matters or things so Represented should be Examined into and bro't to Light to which two Justices one of which was a Select Man and many others Rising up and opposed the Same saying that it was always Customary when any Town meeting was call'd that the Notification had been usually first to be Read and a moderator Chosen and after that to hear and answer to any matter or Debate that should then arise to which the major part of the meeting Insisted on as well as the two Justices before named with great vehemency but some of the Select men still Insisting that those affairs above mentioned should be heard and Debated on before the notification was Read and a moderator Chose and one of the Select men Said that the meeting should be broken up unless it were so or words to that Purpose and so moved out of the meeting house for a while and the people still Pressing and Insisting that the Town Clerk should Read the notification and Proceed to the Choice of a moderator to which the Clerk thought Proper so to do in order to Prevent any further Disturbance in ^{Said meeting} and when the notification was Read Votes was bro't in for a Moderator as follows

for Thomas wallingford Esq^r - 149 Votes
for Thomas Millet Esq^r - 60 Votes

Thomas Wallingford Esq. being chosen by the majority of 89 Votes
 When the moderator was thus Legally Chosen he Commanded Silence and Desired
 that If any Person had any thing to Relate Touching those matters or things above
 mentioned and would Draw near they should be heard - however no one appear
 ing altho near half an hour was allowed them for that End then the moderator
 Desired the people to bring in their votes for the first assembly man saying it was
 usual to Choose first at that part of the Town Call. Dover

- The votes bro^t in were as follows
