Gentle men you that are the free holders of the Town of Dover and now present
 At this meeting, you may remember that we who are the subscribers had a grant
 of you of all the title and right this Town had unto the Loosr falls in oyster
 River for the Erecting of a mill or mills with the benefit of the whole stream
 for the Improvement thereof, and while we wear upon a agreement for it there
 some persons in & bory Juncture of the time bid with us about the
 Rent and raised the Rent double beyond the worth of it or what is given to
 the Town for & Life priviledges, and further more you have granted the
 Erecting a nether mill a bowe ones upon the stream which is all ready built
 which is bory much to our damage these things being considered by you we hope you will
 be as kind to us as you have been to others in Abating of & one half of the
 Rent was as yours to serve, April 5th 1703

March 19. 1693/4

By the Committee Chosen by the freetholders of the Town of Dover for granting Land
 given and granted unto Roger Rose his heirs and assigns for Ever thirty acres
 of upland and meadow on the Towns Comons not intruding Test with Furber Clerk
 of sd Committee the above grant voted and confirmed in general Town meeting
 this second day of April 1694 Test J^o Tuttle Towns Clerk

at a public ^{Town} meeting held at the meeting house on Dover neck & 6th day of April 1702
by the freemen of the Town of Dover given and granted unto Jacob Alton Liberty
to remove his grant of Thirty acres ^{of Land} grant from Johnson falls and to lay the same out on the
west side of a Tract of Land laid out to will dam on the north side of the mill path
that Leads from Knight's farms to mad berry Toft J^r Tuttle Towne Clerk

Laid out and bounded unto John drew the purchaser of Thomas Lighton son Late of Dover
deceased as by a deed of sale reference being had it doth and may appear Twenty acres
of Land on the west side of the back piece being the Eightth Lot in the number of
the Twenty acres Lots on the west side of the back piece and now in the Town and
occupation of the affore sd John drew and bounded it as followeth viz beginning at a pick
pine tree near the water side marked TW TL being in the dividing line between the
17:th 18th Lots affore sd from thence it runs nearest west nor west 92 Rods to a staff with a
heap of stones laid by it in the dividing line between the two lots affore sd from thence it
runs nor north East nearest forty Rods to a staff in the ground with stones laid by it from
thence East south East ⁷⁸ Eighty Rods to a white pine standing by the water side in the
dividing line between the 18 and 19th Lots marked TL on the south side HN on the north side
from thence south south west till it comes to the dividing line between the 17: and 18th Lots
thence East south east to the first marked pick pine tree laid out and bounded by us this
first day of August 1705

Was the subscribers here of being desired by John drew to survey and know the bounds of
one of the old Twenty acres Lots on the west side of the back piece known by the
name of & 17 Lot in the ^{number} of the Twenty acres Lots on the west side of the back piece
and also a Town acre Lot granted to Thomas Whitehouse at the head thereof by the
Town of Dover in & year 1694 which sd Two Lots are now in the Town and occupation
of the abovesd John drew and having surveyed the old line and found the same
necessarily upon a west nor west point of the Compass according to former custom from
a pick pine by the water side an hundred and Twenty Rods and finding a want of
About six acres of Land by reason it runs so much a skew by the water and has
made good the defect at the head by running the affore sd west nor west line 28
Rods further upon the same point to a white oak marked ED which makes the said
line 148 Rods long from the pick pine at the water side to the sd white oak from
thence south south East 32 Rods to a white oak marked ID from thence ^{near} East south
East 36 Rods to a pick pine marked TW all which Land thus found Complies with
the a bovesd Two grants and makes by the Thirty acres surveyed and bounded by
this 13 of June 1702 by us
