We the Subscribers being Chosen by the Town of Dover at an  
Annual Town meeting held by adjournment on the 15<sup>th</sup> Day of April  
1767 to search the said Towns former accounts to see if there is any  
mistakes in said accounts We Have therefore Examined said accounts -  
& find the following Errors Committed Viz

In the year 1760 the Select men have charged the  
Town the sum of £190-1-0 rendered outstanding in  
the hands of Collector Jona<sup>s</sup> Pinkham for which sum £190-1-0  
the Town should have had credit

In the same year (viz) 1760 the Town is charged with  
£49-1-0 for which they should have had credit also  
& is rendered out standing in the hands of Constable

Isaac Horn  
abated in Pinkham's list £24-11-9  
20 Horns 22 7 6

49-1-0  
239 2-0  
46 19-3  
192 2 9

And in the year 1760 the Parish have Cr<sup>d</sup> for  
the sum of £295-10-9 rendered outstanding in the  
hands of Colector Ebenezer Hanson & in the year  
1761 The Parish have Credit for the same sum of  
£295-10-9 Rec<sup>d</sup> of Colect<sup>r</sup> Eben<sup>r</sup> Hanson of which is  
abated him £49-2-0 which deduct from the above  
Remains

186-8-9

In the year 1763 the Town is charged with the sum of  
£10-5-0 rendered outstanding in the hands of Constable  
Joseph Meserve which we suppose to be in the hands  
of the Select men for that year all the above sums  
is New tenor

10-5-0-

Altho the above mistakes have been Comitted there is not if appears  
to us the least shadow of fraud & think the Gentlemen who managed the  
affairs of the Town in the years above mentioned are the fittest persons  
to Rectifie said Errors if the Town think fit all which is Humbly
