The member must commit to the deduction amount during the annual open enrollment and fulfill that obligation. Members hired after the start of the fiscal year shall be allowed to make an election to the 457 plan and the match shall be prorated, if applicable, and pre-paid to their 457 account. New hires shall be subject to the same obligation requirements noted above. If a member chooses to increase their contribution amount after their match has been prepaid, the increased contribution shall be allowed, but the match will not be adjusted for that fiscal year.
- 6.1 For those employees retaining the paid health insurance coverage for retirees benefit, the City shall pay the monthly health insurance premium up to an amount equal to that paid for active members of the bargaining unit for a retiree with twenty years continuous employment with the City. This retiree health benefit shall be limited to the group health insurance benefit plan available to active members of the bargaining unit. Personal Sickness and Accident Disability:

4.1 Eligibility

4.1.1 A regular full-time employee will be eligible for Personal Sickness and Accident Disability benefits beginning with the sixth regularly scheduled workday of absence upon presentation of a physician's certificate based on the following schedule:

6 months but less than 2 yrs:	6 wks full pay
2 yrs but less than 5 yrs:	12 wks full pay
5 yrs but less than 10 yrs:	20 wks full pay
10 yrs but less than 15 yrs:	36 wks full pay
15 yrs but less than 20 yrs:	48 wks full pay
20 yrs +:	52 wks full pay

4.1.2 An employee having grandfathered sick leave under the provisions of ARTICLE XI, Section 3, Grandfathered Personal Sickness or Injury Leave, may utilize such accruals to supplement the provisions of 4.1.1 in the event the term of a disability exceeds the employee's eligibility schedule provided in 4.1.1.

4.1.3 In order to maintain paid Personal Sickness and Accident Disability Leave, employees shall provide ongoing evidence that they are under the ongoing care of a physician. Should the employee's health provider or a health provider selected by the City determine that the employee is permanently unable to return to the former position, with or without accommodation; the employee will no longer be eligible for this benefit. This revision shall be subject to Section 4.2, Second and Third Medical Opinions. Employees may be required to be examined by a health care provider of the City's choosing with any out of pocket expenses not covered by the employees insurance to be paid by the City. Reinstatement from a disability absence will require a physician's certificate verifying the employee's fitness for work.

- 4.2 Second and Third Medical Opinions
 - 4.2.1 The City may, at its expense and discretion and as a condition for continued coverage or reinstatement, schedule an employee absent under this Article to see a second physician of the City's choosing if it has reason for concern relative to either the employee's treatment program or expected recovery period.
 - 4.2.2 In the event that there is a difference of opinion between the employee's treating physician and the City's second opinion physician, the City may at its expense and discretion and as a condition for continued coverage or reinstatement, schedule the employee for a third medical opinion with a physician mutually agreed upon by the treating and second opinion physicians to resolve any discrepancy between treating and second opinion physicians.
 - 4.2.3 The City will rely on the above process in determining eligibility for continued coverage or reinstatement.
 - 4.2.4 An employee who refuses to provide evidence of ongoing treatment, and/or refuses to submit to second and third medical opinion diagnosis and/or to modify the treatment program as determined appropriate through second/third medical opinion process shall be considered as resigned.
 - 4.2.5 If, after receiving benefits for a medically certified disability absence, an employee returns to work for less than two weeks and becomes disabled again for the same or another disability, benefits will resume on the first day of absence. If an employee returns to work for two, but less than 12 weeks, benefits will not start again until the sixth regularly schedule workday. In either case, the duration of benefits paid during the previous absence is counted in determining the amount and duration of benefits regardless of whether the absences are due to the same or a different cause.
 - 4.2.6 After 12 weeks back at work an employee will again be eligible for the full benefit payment schedule as provided for in 4.1.1 above.
 - 4.2.7 An employee who is eligible in accordance with the provisions applicable to his/her NHRS group may retire should he/she continue to be disabled following expiration of benefits provided he/she, if grandfathered under the provisions of ARTICLE XI, Section C Sickness, has first exhausted all accruals.
