

## DOVER TEEN CENTER - SUMMER 2019

# TC SUMMER ZONE

## Overview of the Program

Our goal is to offer our Dover youth opportunities for fun, adventure and growth. The "TC Summer Zone" will be open all summer long with great daily activities, trips and fun events that are sure to excite everyone!

Starting right after the last day of school, the Dover Teen Center will begin to change its programming, hours and prepare for an exciting summer. Please see below for a breakdown of our new hours.

The "TC Summer Zone 2019" only has room for the **first 50 participants**, so get your registration form in early, to secure your spot.

Sign-up for TRIPS is a very easy process. Every week, we will post the trips for the following week on the dry-erase board inside the TC, and it is up to the participant to put his/her name on the list for trips that they would like to attend. Trips are first come, first serve, so be sure to sign-up!

## “TC Summer Zone” Teen Summer Program

### ~ Registration Form ~

The “TC Summer Zone” is a great way for kids to get out and enjoy everything there is to enjoy about summer, while experiencing all that is new around them. Any Dover youth in grades 6th thru 11th (as of September 1, 2018), who have been a regular member of the Teen Center are eligible to register for the program. Remember, there is no “Summer Program Fee”... registration is “FREE”, but some trips will require participants to bring their own lunch or \$\$\$ for lunch, and other activities, as they desire. As you will see, each week will consist of a few major trips, and “drop-in” days to meet the needs of all of our participants. See the summer calendar for more detail.

*This form is due back to the Dover Teen Center, no later than Friday, June 14th !!!*

Because of the outdoor and social nature of our Summer Program, everyone’s best behavior is expected. If it so happens that a participant is not conducting themselves in a respectful manner and/or is non-compliant, we will contact the necessary family members and have them picked up. This is especially important because we may be out on a major trip, and regardless of our location, they will have to come to pick up the participant.

Remember, again, lunches are NOT provided, unless otherwise noted in the schedule. Appropriate clothing is always required. If staff feel that the safety of the kids or anyone else is jeopardized by inappropriate attire, they have the right to deny access to the trip scheduled.

*Please look over the weekly schedule below, and give us an indication of your attendance, week by week,*

*\*\*\* Be aware that all trips, events and happenings are subject to change (sometimes with minimal notice), cancellation and/or re-scheduling. Sometimes weather may not permit us to do certain activities, and with our indoor facility, we’ll do our best to provide indoor programming that is active, engaging and fun. Also, please see our “RENOVATION” info.*
