POLICE DEPARTMENT

Press Release **August 31, 2015**

The Dover Police Department and the Office of The Chief Medical Examiner is investigating the death of Nickolas Oliva, 27.

At approximately 11:42 AM on August 31, 2015, Oliva was found dead by staff at the Days' Inn at 481 Central Avenue, Dover. Oliva, with a last known address of 60 Lowell Street, Hudson, NH, had been staying at the motel in recent days.

While the cause and manner of Oliva's death will ultimately be determined by the Office of the Chief Medical Examiner, at this time it appears to be a drug overdose.

If in fact Oliva's death is due to a drug overdose, it will be the seventh in Dover in 2015, all of which are suspected to be heroin and/or fentanyl overdoses.

This case is being investigated by the Dover Police Department's Special Investigations Bureau.
