Chief William M. Breault of the Dover Police Department is pleased to announce that the Dover Police Department will be participating in National Night Out on Tuesday, August 6, 2019 in Henry Law Park. The event will take place from 4:30pm to 7:30pm and is free to the public. National Night Out is a time for community members to meet with police officers, discuss issues, learn what the police do, and unite with the common goal of crime prevention and safety.

The public will be able to see some of the specialized equipment and vehicles that the police use on a daily basis. These will include a police cruiser, the police motorcycle, the crime scene and mobile command vehicles along with our tactical rescue vehicle. Several officers including the mounted patrol and our K9 officer will be at the event and interacting with the public. National Night Out will also feature firefighters and fire apparatus from the Dover Fire and Rescue Department.

“The Dover Police Department recognizes the importance of getting to know the members of our community and the value of positive police-community partnerships. National Night Out is an excellent opportunity for police officers, firefighters and community members to meet and interact. This goes a long way toward solving community problems together.” said Chief Breault.

There will also be community organizations on hand to provide literature and other information related to health, safety, and wellness. Information on drug prevention, treatment and recovery resources, and violence prevention will be available to the public through various booths at the event. There will also be food and drinks available.

National Night Out is an annual community building campaign that promotes police-community partnerships to make our neighborhoods safer, better places to live. Dover’s National Night Out is an opportunity for citizens to meet and engage with their first responders.
