PUBLIC MEETING ANNOUNCEMENT

DOVER POLICE DEPARTMENT REACCREDITATION

DOVER, NH, December 2, 2019- Chief William M. Breault announces that there will be two opportunities for the public to provide input about the Dover Police Department during the upcoming reaccreditation process.

The Dover Police Department has been internationally accredited by the Commission for Accreditation of Law Enforcement Agencies, also known as CALEA, since 1988 and was the first police department in New Hampshire to achieve accreditation. Since then, CALEA has periodically conducted reassessments and the Dover Police Department has been successfully reaccredited each time.

On December 9, 2019, CALEA will be coming to Dover to assess the Dover Police Department for the tenth time. This site-based assessment occurs every four years and will be conducted over the course of three days. Part of this assessment will include two opportunities for the public to provide input to the assessment team. The input can be provided through a telephone call-in session or at a public hearing.

The call-in session will be held on December 11, 2019 from 1:30PM until 2:30PM. The phone number to call is (603) 516-7752.

The public hearing will be held on December 11, 2019 at 5:30PM in the training room at the Dover Police Department at 46 Chestnut Street.
