# WINTER READING BINGO CHALLENGE

Mark on your Bingo board the number of days read (does not need to be consecutive) and each activity completed below. Your first Bingo earns you a scratch ticket with a chance to win a small gift card to La Festa, Lickee's and Chewey's, or Flight Coffee. Every Bingo after that enters you into our Grand Prize raffle of \$50 Dover Dollars!

## Activity #1: Take a selfie with a librarian

Ask a librarian to take a selfie with you. We're always camera-ready!

- I took a picture with a librarian

## Activity #2: Attend or watch a recording of a library event

Did you know many of our events are hybrid now? Meaning you can attend them in-person or watch them online from home. Some even have recordings, which you can find on the library's YouTube page.

See what events we have going on this winter by visiting the "Calendar" page under the "Events" tab on our website. You can pick up a calendar at the library, too.

- I attended/watched a library event

## Activity #3: Check out or reserve a museum pass

Visit one of the 15 museums we have discounted or free passes to this winter! Museum passes are generously funded by our Friends of the Dover Public Library group.

To see a full list of our museum passes and make a reservation, click on the "Museum Passes" button at the bottom of the library's home page.

- I checked out/placed a hold on a museum pass

## Activity #4: Visit our Story Walk

Did you know that the library hosts a Story Walk in Henry Law Park? Take a walk through and read the picture book on display.

- I walked through the Story Walk

## Activity #5: Check out a book from the library

We have books for all ages and new titles arriving every day! Don't see what you're looking for? Just ask a librarian for help!

See what's new in the collection by visiting the "Catalog" page under the "Borrow" tab on our website.

- I checked out a book from the library

## Activity #6: Random act of kindness

Brighten someone's day by doing something kind for them! Maybe try shoveling a neighbor's stairs, helping someone carry their groceries to their car, or just paying someone a compliment!

- I performed a random act of kindness

## Activity #7: Thank a community helper

Show your appreciation for the many helpers in our community by sending them a note or dropping them a line on social media, or with an in-person thank you!

- I thanked a community helper

## Activity #8: Write a letter to a loved one

There's nothing like some good old-fashioned snail mail to warm someone's heart in the winter months! Send a note to a loved one and make their day.

- I sent a letter to a friend, family member, or loved one

## Activity #9: Borrow an item from the Library of Things

Did you know that the library has a telescope, craft tools, a ghost hunting kit, have-a-heart traps, a trail camera, games, and health equipment available to borrow? Check out these items and many more from our Library of Things!

To see a full list of our Library of Things items and to place a hold, by visiting the "Library of Things" page under the "Borrow" tab on our website.

- I borrowed an item from the L.O.T.
