

How to Connect

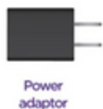

1. Plug Roku Streaming Stick into an HDMI port on your TV or computer. (NOTE: will not work with a Roku TV.)
2. Connect the USB power cable to the Streaming Stick then use power adapter to plug into a wall or plug directly into a USB port on your device if available.
3. Once the device loads, use the Roku remote to navigate down to "Settings".
4. Go to "Network Connection". Select your home network from the list of available wi-fi networks and enter your password.
5. Hit the "Home" button on the remote and pick a streaming service/available channel to watch!

- Free channels (most with ads) are Kanopy (login with library card), Movies Anywhere, Fandango, YouTube, Tubi, and the Roku Channel.

Terms & Conditions

Roku devices are completely free to borrow with a valid Dover Public Library card as long as the borrower is 18 years or older and has signed a Library of Things user agreement.

All Roku kits must be returned to a library service desk during regular library hours. They MAY NOT be returned in library drop boxes. Make sure the kit is complete before returning.

Roku devices will be remotely disabled after 24 hours if the kit is not returned by the end of the day on its due date. There are no overdue fees on Roku kits, but they will be considered lost and the user will be billed for replacement costs and fees if not returned within 6 weeks of the due date. If the Roku kit is returned complete and in good working order, the fees will be removed from the borrower's account, unless the settings have been tampered with.

By checking out a Roku kit, you agree to these terms and conditions. The Library reserves the right to rescind checkout privileges if they are not followed.

Disclaimers & Notices

Parents or guardians are responsible for any information and video content selected or accessed by their children with the Roku device. Caregivers are strongly advised to remain with their children while they use the device.

Dover Public Library is not responsible for any damage to users' personal devices or equipment while using the Roku device or for any stored data that may be cleared from the device upon return to the Library.

Users are NOT permitted to add, purchase, or delete any channels or content through Roku devices or streaming services. Users are NOT permitted to log out of services. Any attempt to alter data or the configuration of the Roku devices is strictly prohibited and may be considered an act of vandalism and therefore subject to full replacement cost value.

Replacement costs for individual components of the kits are as follows: Roku 4K Streaming stick \$45, Roku remote \$15, Adapter power cord \$10, HDMI extension cable \$10, Kit packaging \$20. If the entire kit and contents are lost, replacement will be \$125.
