Who Are the Friends?

The Friends of the Library are ordinary people like you and me who care about libraries and are interested in promoting and enhancing library resources.

Friends are people who know that any community is a better place to live if that community has a first-rate library which serves its needs and interests.

Our Goals

- Create public support and good public relations for our library;
- Encourage all citizens' use of the library and its services;
- Sponsor programs that contribute to Dover's educational and cultural life;
- Encourage gifts, endowments and memorials.

We can only achieve our goals with your support.

Established in 1977

Since our inception in 1977, the Friends of the Dover Public Library have raised thousands of dollars for...

- Library equipment and signage,
- Computers,
- Furnishings,
- Annual passes to local and regional museums.

The Friends have sponsored countless educational and cultural programs, slide shows, concerts and authors' visits.

Additionally, we sponsor the library's ongoing book sale and annual fall book sale.

Everyone needs a friend, even your library. Won't you join us?

You can give as little or as much time as you want. You can participate once a year or be active throughout the year.

We welcome any contribution you can make.

Welcome to Our Monthly Meetings!

The Friends of the Library meet bi-monthly, in September, November, January, March, and May – 5 times a year. Watch the library newsletter or website for next-meeting information or call 516-6050.

Friends Book Corner & Ongoing Book Sale
