Jar Lid Banjo

(credit: thecrafttrain.com)

Materials Needed:

jar lid
rubber bands or loom bands
duct tape
craft stick

Directions:

1. Put 3 or 4 rubber bands around your jar lid. Use a piece of duct tape to secure the rubber bands on the back.

2. Use a piece of duct tape to attach your craft stick to the back of the jar lid. If you wish, you can decorate the craft stick first with markers or bits of decorative tape and sequins.

3. Now you are ready to play your min banjo! Have fun!
