Upcoming sessions provide training for cold weather shelter volunteers

Sessions also an opportunity to contribute to work addressing homelessness

The Integrated Delivery Network of Strafford County will hold four training sessions for volunteers interested in working with the Strafford County Extreme Cold Weather Emergency Shelter. Each session is the same and volunteers are required to attend one of these sessions if interested in volunteering for the Strafford County Extreme Cold Weather Emergency Shelter, when activated.

These training sessions are also strongly encouraged for anyone interested in supporting city, town or other local agency shelter efforts, as well as those interested in helping address homelessness in Strafford County. The sessions are also an opportunity for communities and residents to band together and directly contribute to the ongoing work to address the needs of the homeless population in Strafford County.

Youth to Youth's tours of Santa's Castle begin this weekend

Dover Youth to Youth is hosting its annual Santa's Castle at the McConnell Center in downtown Dover on the two weekends before Christmas. Each night children and their families will be able to tour several rooms in Santa's Castle and meet Santa and many of his elves and other costumed characters.

During the first weekend the event will be held on Saturday and Sunday, Dec. 14 and 15, from 2 to 6:30 p.m. Over the second weekend the Castle will be open on Friday, Dec. 20, from 4:30 to 7:30 p.m.

During the tour, students from Youth to Youth will guide visitors through Rudolph's stable, Mrs. Claus's Kitchen and other parts of the Castle. Along the tour children may choose to take part in a variety activities, including such things as decorating a cookie in Mrs. Claus' kitchen, writing a letter to Santa, or making

Families touring Santa's Castle will also meet Santa's Elves, various costumed characters, and Santa himself. Families are welcome to bring a camera and take pictures or video of their children with Santa.

Santa's Castle is designed for children ages nine and under, but the whole family is invited. The cost is \$8 per child and \$4 per adult. However, a whole family can take the tour for a maximum of \$25. Proceeds support the anti-drug activities of Dover Youth to Youth. Santa's Castle is sponsored by radio station 98.1 WTSN and The BAY.

Entrance to Santa's Castle will be from the Saint Thomas Street side of the McConnell Center (Door #7). Parking is available in the parking lot located behind the Dover Public Library and on the street by the District Court.

For additional information, go to the Youth to Youth web site at www.DoverY2Y.org or call the Dover Police Department's Community Outreach Bureau at 516-3274.

Dover Youth to Youth is an organization made up of middle and high school students who meet after school to conduct activities and events that promote a drug-free life style. Youth to Youth is coordinated by the Dover Police Department and it is a component of the Police Department's Community Outreach Bureau.

Arts Commission winter grants deadline is Jan. 1

The Dover Arts Commission is pleased to announce that applications for its winter 2020 City Arts Grants are now open. City Arts Grants are available to individual artists and arts organizations to create visual art, music, dance, theater, film, and literary projects that benefit the residents of Dover and enrich the cultural life of the city. Winning proposals will be awarded up to \$1,500. The application deadline is Wednesday, January 1, 2020. To download an application, visit the Arts Commission City Arts Grants page at bit.ly/doverartsgrant.

MERRY MADNESS SHOPPING SHINDIG

SATURDAY, DECEMBER 14TH
SHOP UNTIL 9 PM

"Merry Madness Shopping Shindig" takes over downtown Saturday

Get ready for an unforgettable night of shopping and holiday fun in downtown Dover on Saturday, Dec. 14 from 5 to 9 p.m. Find one-of-a-kind holiday gifts at participating stores including My Country Story, Noggin Factory!, Just The Thing!, and Lickee's & Chewy's Candies & Creamery. Nicole's Retail Shops will be at the Noggin Factory! classroom space with a holiday gift pop up shop. Grab your friends and head downtown to enjoy a magical evening of holiday music and treats while "sleighbing" your shopping list.

Stop by Janetos Market's and enter to win their drawing for an 8-foot or 6-foot Christmas stocking. Drawing is Dec. 14 at 6:30 p.m.

For more information, visit <https://www.facebook.com/events/549687969163102/>.

Strand to host Christmas Ex-Strand-

Aganza this weekend

Join The Strand for a live, original performance with local talent, dancing, caroling, music and sketches. The Christmas Ex-Strand-Aganza, an original show for the whole family and produced by Break-a-Leg Legally, will be held today, Friday Dec. 13 and Saturday, Dec. 14 at 8 p.m.; and Sunday, Dec. 15, at 2 p.m.

Break-a-Leg Legally debuts new, local talent with every production. You may get a laugh or two when you find out what happens when Santa indulges just a little too much eggnog, new elves orientation, singing along with the cast or sitting by the fire for story time. Don't just bring the kids, bring grandma and grandpa.

Tickets are \$15 for the evening shows and \$12 for the Sunday matinee. Children under 12 are admitted free with any donation to End 68 Hours of Hunger.

Tickets are available at the door or at <https://www.breakaleglegally.com>.

The Strand, located on Third Street, is a nonprofit, multi-arts and entertainment center.

Dover Fire Toy Bank seeks donations

The leaves have fallen, the weather is much colder, the days are getting shorter and that means the 2019 Dover Fire Toy Bank has started planning for their annual toy bank.

The Dover Fire Toy Bank has been coordinated by current and retired members of the Dover Fire & Rescue for more than 40 years. The Toy Bank started out all those years ago helping a dozen families in the city, it has now grown to helping over 350 families. While Christmas typically conjures up visions of Santa and toys, the Toy Bank also provides educational aids, warm clothing, and boots to many children in Dover.

Games and toys are fun; but this year as in the recent past, the Dover Toy Bank is also anticipating an increased need for the fundamentals for many Dover families.

The Dover community - area businesses, seniors, families, school groups, civic groups and others have been very supportive and generous in the past. Donations of toys, games, clothing, personal hygiene items, gift certificates, and monetary donations have enabled us to help those less fortunate. The Toy Bank would not be successful without continued help from the community.

Here's how to help: Collect new toys within your organization for age groups from newborn to 12 years old. If looking for a specific need to fill, the infant and 9-12 age groups are always in need for both boys and girls. If you need a collection box, please call 603-516-TOYS, leave a message and we will get you one for your business.

Purchase gift cards to area businesses, mall stores, and grocery stores are always appreciated.

Shop for hats and mittens, gloves and scarves that are needed for the cold winter. These gifts help ensure each child receives these essentials.

Collecting monetary donations within an organization and shopping for gifts helps greatly. If you don't have time to shop for these items, the Toy Bank will do it for you.

Toy Bank volunteers will pick up donations on site or drop off new, unwrapped items at these locations: Dover Central Fire Station (9-11 Broadway), South End Fire Station (27 Durham Road) or the North End Fire Station (262 Sixth St.) anytime until Christmas evening.

Monetary contributions can be picked up on location or mailed to Dover Fire Toy Bank, P.O. Box 1712, Dover, NH 03821-1712. Please make checks payable to The Dover Fire Toy Bank.

For more information, or to help wrap presents, call 603-516-TOYS (8697).

Police accepting names for holiday food baskets

The Dover Police Department is still accepting names of needy families residing in Dover for the annual Holiday Food Basket Program.

The Police Department sponsors this program each December to provide holiday dinners to families in Dover. Last year, more than 150 baskets of food were distributed to families throughout the community, which provided meals to more than 500 people.

In addition, a large quantity of food was provided to the Dover Children's Home and My Friend's Place homeless shelter.

In order to make this program a success, donations are needed from the community. Non-perishable food items, canned goods, or monetary donations (checks should be made payable to Dover Police Charities) will be accepted at the Dover Police Department, 46 Chestnut St. If you cannot arrange for delivery to the police station, call 603-742-4646 and pick up will be arranged.

Volunteers from the Dover Police Department will prepare and deliver the baskets on Saturday, Dec. 21.

For more information, visit the Holiday Food Basket Program

NH Schoolyard Action Grant applications now being accepted

Are you an educator with a project idea that involves students in enhancing their schoolyard for wildlife habitat, connects them with the outdoors, and integrates nature into learning that aligns with curricula? The New Hampshire Partnership for Schoolyard Action is now accepting grant applications for schools with students from pre-kindergarten through grade twelve to help fund nature-based learning projects.

Schoolyard Action Grant applications are being accepted through Jan. 31, 2020. Grants are typically awarded in amounts of up to \$1,500. For more information and a grant application, visit www.nh.audubon.org/learn/schoolyard-habitat-exploration-grants.

The U.S. Fish and Wildlife Service New England Field Office, New Hampshire Project Learning Tree, the New Hampshire Fish and Game Department, and New Hampshire Audubon have partnered to support Granite State schools through the New Hampshire Partnership for Schoolyard Action Grants. This partnership was created to make it easier for educators to apply for a grant to enhance their school yards to support nature-based studies. The common grant application works for all four of the partner organizations and greatly simplifies the application process.

Examples of projects that have been funded by the partner organizations in the past include the establishment of pollinator gardens, the creation of outdoor learning areas, installing solar-powered bird baths, and replanting of school grounds with native plants that enhance wildlife habitat. Other types of projects eligible for support include trail or pond creation, citizen science activities, and bird feeding or watering stations.

Projects or items not eligible for funding include vegetable gardens, staff time, field trips, school grounds landscaping, or purchase of educational supplies unless they are directly related to the project.

This year recipients of awarded grants also have the opportunity to receive technical assistance from a NH Fish and Game wildlife biologist to find local seed and plant sources, learn planting techniques, and connect schools with national pollinator and monarch projects. Schools interested in planting common milkweed for monarchs will also be able to receive up to 20 free plants for their project. This technical assistance is made possible by the New England Forests and Rivers Fund at the National Fish and Wildlife Foundation.

Both student and community involvement in planning and on-

site work is strongly encouraged. Professional consultation is available for project planning.

Dover High School qualifies for wild card spot on Granite State Challenge

A team of students from Dover High School, under the direction of coaches Eric Salmonsens and Timothy Elliott, have qualified for a wild card spot on the NHPBS high school quiz show, Granite State Challenge. As a wild card team, the Dover students will compete against Profile High School students in a non-televised game to be held on Saturday, Dec. 14, 2019, both hoping to gain one of two spots on the Granite State Challenge.

"Our students on the team, along with the coaches, are extremely excited for this upcoming opportunity," said coach Timothy Elliott.

Coach Eric Salmonsens added, "We are extremely proud of our team and the hard work they have shown. They greatly deserve this opportunity and we can't wait for December 14th to arrive."

Elementary schools teach importance of attendance

Attendance plays a vital role in the success of a student. At a young age, attendance becomes a habit that typically continues throughout their school career. Knowing the importance of consistently arriving to school on time, every day, the Dover elementary schools are working hard to instill positive attendance habits in their students and families.

According to studies from attendanceworks.com, in order for a student to remain engaged, be successful, and continue to stay on track to graduate, they should miss no more than nine days of school each year. As well, stating that no matter the age of a student, families play a key role in making sure they get to school safely, every day, and understand why attendance is so important for their success.

"We are strong believers that attendance plays a major role in our students' success," said Superintendent Dr. William Harbron. "The elementary schools have sent out information pertaining to attendance and strategies for parents to use to support their children in making it to school on a consistent basis. We will be posting these tips on the district Facebook page over the next few weeks, as well."

Dover High School Fall Sports Successes

The fall sports season has come to an exciting end for the Dover School District. A few of the highlights that ended the season are as follows:

- The fall **Spirit Team** finished the season in second place at the NHIAA Division 1 State Spirit Championships, finishing only a half-point behind the state champions.
- The **Unified Coed Soccer Team** competed in the NHIAA Division 1 State Soccer Championship game and proudly walked away as the states runner-up.
- The **Girls Volleyball Team** competed in the NHIAA Division 1 State Volleyball Tournament and also proudly walked away as the states runner-up.
- Dover High School student **Tyler Sheedy** qualified for the New England Cross Country Championships. He was also selected by the New Hampshire Cross Country Coaches Association to the Division 1 All State team, to which only 10 athletes in the state are selected.

Dec. 15, 1712 - The town voted that a sufficient boom should be erected over Cochecho river, (above the lower falls, probably) and that bridges should be built over Bellamy and Oyster rivers, and also voted 20 pounds towards the building of

a boom over the Lamprey "for passage of man and horse till further order."

Dec. 15, 1729 - Capt. Paul Gerrish presented a petition signed by near three score of the principal men in Dover praying an order to rectify some abuses suffered by Dover Town Book of Records by the fault of the late Town Clerk, as they apprehend. Whereupon it was voted, "That the clerk of the said town of Dover for the time being be hereby prohibited entering any old Committee Grants that are suspected not to be legally obtained and to enter only such grants as have been or may be allowed by said Town or the selectmen thereof until the next sitting of the General Assembly and that there be a committee chosen by the General Assembly to go to the Town Clerk for the time being who is hereby required to show unto such Committee such entrys, matters and things as he or any of the said Town suppose to be done by ill practice, and the said Committee shall by virtue hereof summon before them all such persons that can give any light in explaining any matters or things which they may see occasion to examine into for discovering the truth and detecting such vile practices and to give such person or persons their oaths, and to make return of their doings therein to the General Assembly next session, and that Nathaniel Wear, Esq. and Theo. Atkinson, Esq. be a committee of this House to join such as shall be appointed above for that end and that the Petitioners pay the charges.

Dec. 13, 1790 - A committee was appointed to remonstrate against the division of the County of Strafford, by the setting off of Dover, Durham, Lee, Madbury and Somersworth to the County of Rockingham, a plan which was agitated at this time.

Dec. 17, 1803 - Notice is given of the organization of the Strafford Bank, the first established in town. Subscribers to the stock are notified by William King Atkinson, President, that one hundred dollars on each share will become due on the fourth Tuesday of January, and that "one fourth part at least, and as much more as may be convenient, will be expected in gold and silver, and the residue in bills of the banks of Massachusetts."

Dec. 16, 1835 - The coldest day on record for many years. The thermometer at noon was 13 degrees below zero.

Know what's "In the Bin":

How to keep your your recycling clear of contamination

The City of Dover and Pinard Waste would like to remind residents that only the items listed below should go in your household recycling bin:

- **Metal:** Food and beverage cans.
- **Glass:** Bottles and jars.
- **Plastic:** Bottles, jars, jugs and tubs.
- **Paper and Cardboard:** Mixed paper, newspaper, magazines and boxes.

When we recycle properly, materials can get to their next best use, which helps protect the environment by conserving natural resources, saving energy and reducing greenhouse gas emissions. Placing

items in recycling bins that are not recyclable such as Styrofoam, light bulbs, plastic flower pots and bags, contaminates the entire load and sends it to a landfill. It's important to know when an item is not recyclable and to place it in the trash. Follow these simple recycling guidelines:

1. Recycle all bottles, cans and paper.
2. Keep items clean and dry.
3. No plastic bags of any kind.

Not sure if an item is recyclable? When in doubt, visit <https://www.recyclesmartma.org/>. Enter the item name and click search.

Knowing what's "In the Bin" can help avoid contaminated loads of recycling, which are being rejected at processing centers and disposed as trash. These contaminated loads of recycling result in additional charges to the city.

For more information, please contact the Recycling Center at 603-516-6450 or refer to the [Talking Trash brochure](#).
