**RE: Freedom of Information Act (FOIA) Request No. EPA-R1-2020-002671**

Dear Ms. Thomas:

This is in response to your FOIA request of January 31, 2020, **for specific records related to the Great Bay Estuary in New Hampshire.**

We have uploaded, into FOIAonline, 13 non-privileged documents responsive to your request. EPA has not withheld any responsive documents, either in whole or part.

EPA notes that you have submitted 9 separate FOIA requests regarding the Great Bay Estuary in New Hampshire. Due to the overlapping nature of these requests, EPA has identified records that may be potentially responsive to more than one of these requests. EPA encourages you to review the totality of records provided as part of EPA's response to all 9 of your requests, as there may be a document(s) provided in one response which is also responsive to another.

This letter concludes our response to your request. You may appeal this determination by email at, or by mail to the EPA's National FOIA Office, U.S. EPA, 1200 Pennsylvania Avenue, N.W. (2310A), Washington, DC 20460 or through FOIAonline if you are an account holder. If you are submitting your appeal by hand delivery, courier service, or overnight delivery, you must address your correspondence to 1200 Pennsylvania Avenue, N.W., WJC-N Building, Room 7309C, Washington, DC 20460. Your appeal must be in writing, and it must be received no later than 90 calendar days from the date of this letter. The Agency will not consider appeals received after the 90-calendar-day limit. Appeals received after 5:00 p.m. EST will be considered received the next business day. The appeal letter should include the FOIA tracking number listed above. For quickest possible handling, the subject line of your email, the appeal letter, and its envelope, if applicable, should be marked "Freedom of Information Act Appeal."
