K. The complainant shall have the burden of proof. The standard of proof for the Ethics Commission to use for deciding matters before the Ethics Commission shall be clear and convincing evidence.

Clear and convincing evidence is defined in New Hampshire law as that evidence that establishes a factual conclusion to be highly probable, rather than merely more probable than not. It requires that the party having the burden of proof place in the trier of fact an abiding conviction that the truth of his/her factual contentions are highly probable. Otherwise, he/she has failed to prove it and is not entitled to relief.

M. Upon the establishment of the Ethics Commission, the Ethics Commission may receive and act on ethical complaints involving allegations occurring prior to the adoption of this ordinance if the complaint alleges a violation of an ethical standard in effect on the date of the alleged violation.
