POLICE DEPARTMENT

Anthony F. Colarusso, Jr.
Chief of Police

Press Release **April 29, 2016**

The Dover Police Department and the Office of The Chief Medical Examiner is investigating the death of Dylan Borrelli, 21.

At approximately 2:09 PM on April 29, 2016, Dover Police and Dover Fire and Rescue responded to Borrelli's residence on Oak Street after he was found unresponsive. Borrelli was pronounced dead at the scene.

While the cause and manner of Borrelli's death will ultimately be determined by the Office of the Chief Medical Examiner, at this time it appears to be a drug overdose.

If in fact Borrelli's death is due to a drug overdose, it will be the third in Dover in 2016, all of which are suspected to be heroin and/or fentanyl overdoses. The Dover Police Department has responded to 16 non-fatal drug overdoses in 2016.

This case is being investigated by the Dover Police Department's Special Investigations Bureau.
