Chief Anthony F. Colarusso Jr. of the Dover Police Department announces that the Dover Police Department has identified the three juveniles responsible for the recent acts of vandalism that occurred at the new Dover High School construction project and the High School concession stand.

Sometime between Friday April 7, 2017 and Monday April 10, 2017, vandals spray painted a large amount of graffiti on one of the main concession stands as well as the pavement in between the stand and football field.

The vandal(s) then forced their way through the six foot chain link security fence which surrounds the new Dover High School building construction project, and spray painted the foundation of the building.

The graffiti in both locations consists of vulgar language and pictures as well as the word "G Squad" written in fluorescent blue, pink, and orange spray paint.

Through a joint investigation involving Dover High School administrative staff and the Dover High School Resource Officer, the three juveniles responsible for the damage were identified. Arrests of all three juveniles are forthcoming.
