## **Press Release**

For Immediate Release – April 2, 2018

The Dover Police Department is asking the public for assistance in identifying a vehicle involved in a hit-and-run accident that left a pedestrian with significant injuries. The suspect vehicle is a dark colored sedan with possible damage to the front bumper/grill area as well as damage to the hood and windshield.

At approximately 4:12 PM officers responded to the area of 386 Central Avenue for a report that a pedestrian had been struck while crossing Central Avenue. The investigation, which remains active, determined that a 37 year-old male from Dover was crossing Central Avenue from west to east when he was struck by a dark colored sedan traveling in the west lane (left most). The vehicle failed to stop after striking the pedestrian and was last seen traveling west on Washington Street.

The pedestrian was transported by Dover Fire and Rescue ambulance to Wentworth Douglas Hospital.

Anyone who may have witnessed the incident or has information regarding the suspect or suspect's vehicle is asked to contact the Dover Police Department at 603-742-4646 or can remain anonymous by contacting the Dover Crime-line at 603-749-6000 or [www.dovernhcrimeline.org](http://www.dovernhcrimeline.org)
