DOVER POLICE DEPARTMENT INVESTIGATES OVERDOSE DEATH

DOVER, NH, April 30, 2019 - The Dover Police Department and the Office of The Chief Medical Examiner are investigating the death of Trevar Delisle, 23, which occurred in Dover on Thursday, April 25, 2019.

At approximately 3:25 AM on April 25th, the Dover Police and Dover Fire and Rescue responded to a residence on Adelle Drive after a friend reported finding Delisle unresponsive. Delisle, a Dover resident who was visiting the residence on Adelle Drive, was found to be deceased on-scene.

While the cause and manner of Delisle's death will ultimately be determined by the Office of the Chief Medical Examiner, based on the investigation to date it appears to be drug related.

If in fact Delisle's death is due to a drug overdose, it will be the third confirmed in Dover in 2019, which had ten suspected drug related deaths in 2018. The Dover Police Department has responded to seven non-fatal drug overdoses in 2019.
