Chief of Police

## FOR IMMEDIATE RELEASE

**DOVER, NH**, November 25, 2020 - Chief William Breault announces that the Dover Police Department is conducting an investigation into the death of a 23-year-old male.

At approximately 4:15 pm on November 25, 2020, Dover Police along with Dover Fire and Rescue responded to the emergency winter shelter at The Garrison Hotel, 200 Sterling Way in Dover, for a report of an unresponsive male. Investigation at the scene indicated that his death is drug related; however the cause and manner of the male's death remain under investigation by the Dover Police Department and the Office of the Chief Medical Examiner.

No further information will be released by the Dover Police Department, including the identity of the decedent, until all extended family has been notified.
