DOVER POLICE DEPARTMENT ANNOUNCES CHILD PORNOGRAPHY ARREST

DOVER, NH, August 15, 2025 - Chief William Breault of the Dover Police Department announces that an arrest has been made following a lengthy child pornography investigation.

On the evening of August 14, 2025, Nathan Johnson, 42, of Dover, New Hampshire, surrendered to Dover Police after detectives obtained an arrest warrant charging him with Possession of Child Sexual Abuse Images and Distribution of Child Sexual Abuse Images, both Class A felonies.

The arrest stems from a long-term investigation that began after Dover Police received a tip from the New Hampshire Internet Crimes Against Children (ICAC) Task Force. Investigators identified Johnson as a suspect and executed a search warrant at his Dover residence in early March to recover electronic evidence that required further analysis and investigation.

Johnson is being held in preventative detention at the Strafford County House of Corrections in accordance with state law. He is scheduled to be arraigned on Friday, August 15, 2025, at 10:00 A.M. in the 7th Circuit Court – District Division – Dover.

The ICAC Task Force is a statewide initiative dedicated to investigating offenders who exploit children online; the Dover Police Department is a participating affiliate of this task force.
