

Please read this entire packet for all of our new safety practices. We appreciate your cooperation during this time.

During Phase 4, we will be opening our Foster Rink while still following **Hockey and Indoor Ice Arena Guidelines** set forth by the State of New Hampshire. Which can be found at nh.gov under the safer at home tab.

Athletes, coaches, and volunteers will be screened upon arrival at the ice arena by having their temperature taken and being asked the COVID-19 related questions. If any athlete/volunteer has a fever of 100.4 or higher or has answered yes to any of the COVID-19 related questions, they will not be allowed to enter the facility.

Spectators will be asked the COVID-19 questions; they will not be required to have temperatures taken. If the spectators answer yes to any of COVID-19 related questions, they will not be allowed to enter the facility.

Masks are required to be worn on the benches by all skaters (youth and adult). The mask can be pulled down when playing on the ice.

No team or group will be allowed in the rink until 15 minutes before their event. Each team/group is required to exit the locker room and the facility within 15 minutes of the end of their event.
