Please read this entire packet for all of our new safety practices. We appreciate your cooperation during this time.

During Phase 2, we will remain open for residents of New England ONLY. Please call ahead prior to start time for Recreational Public Skate and Instructional Public Skate. We are still not offering skate rentals in the pro-shop. **Players will be allowed to enter the facility no earlier than 30 minutes before the time slot - practices and games. Spectators will be allowed to enter the facility no earlier than 10 minutes before the time slot (unless player is 10 or under).** There is to be no time spent socializing in the lobby area. **Facemasks must be worn by everyone at all times in the facility (unless on the ice).** The same traffic flow pattern will be followed.

New Rink Rules:

- Family groups of any number are allowed.
- Each member of the family must stay together and remain 6ft away from other families.
- Children that are in the facility as spectators must remain with their family at all times, or the family will be asked to leave.
- Players can enter no earlier than 30 minutes for their time slot – games and practices.
- Spectators can enter no earlier than 10 minutes for the time slot (unless player is 10 or under).
- Showers will remain off.
- Facemasks are required at all times in the facility (unless on the ice).
- Main hallway will remain one way only.
- Players must exit the building no longer than 20 minutes after ice slot.
- Spectators must exit as soon as game/practice is over.

Traffic Flow Pattern:

- Everyone must enter in the front doors.
- Spectators must go right and enter into the Holt rink to spectate the game/practice. When exiting facility, please exit out of the side doors near the bathroom or side doors near the bleachers.
- Players must go down the hallway (one way only) to get to their locker room. When done on the ice, players will exit out of the side doors near the DHS locker room in the rear of the building.
- No one is to exit out of the front doors.
