

# PROCEDURAL CHANGES

## EFFECTIVE JUNE 21<sup>ST</sup>

*As we enter the summer season, we will be moving away from reservations at both our Indoor and Outdoor facilities. We will start returning to our more regular practices, while still maintaining a safe and clean environment. We are still asking patrons to maintain 6ft distancing when starting and stopping their swim.*

### Indoor Pool Changes

- We will be limiting lap swim to three patrons per lane
- **Circle swimming is required!**
- Please no walking in the lanes, Therapy Swim will be available for those who wish to walk
- Patrons may enter and exit the pool throughout designated lap swim times
- If the lanes are full or the speed of other swimmers is not equal, patrons will have to wait until a lane becomes available
- Lanes are separated by speeds of the swimmers- slow to fast

### Outdoor Pool Changes

- We will be limiting lap swim to four patrons per lane
- **Circle swimming is required!**
- Please no walking in the lanes, Therapy Swim will be available at the Indoor pool for those who wish to walk
- Patrons may enter and exit the pool throughout designated lap swim times
- If the lanes are full or the speed of other swimmers is not equal, patrons will have to wait until a lane becomes available
- Lanes are separated by speeds of the swimmers- slow to fast
