### Activity #1: Review a Book

### Activity #2: Try one of our streaming services

Watch a movie, check out an ebook or audiobook, listen to some music... You can do it all from the comfort of your own home if you use one of our streaming services: Overdrive/Libby, Hoopla Digital, Flipster, and Kanopy!

To find our streaming services, visit the "Stream & Download" page under the "Borrow" tab on our website.

I tried a streaming service from the library

### Activity #3: Attend or watch a recording of a library event

Did you know many of our events are hybrid now? Meaning you can attend them in-person or watch them online from home. Some even have recordings, which you can find on the library's YouTube page.

See what events we have going on this winter by visiting the "Calendar" page under the "Events" tab on our website. You can pick up a calendar at the library, too.

I attended/watched a library event

### Activity #4: Check out or reserve a museum pass

Visit one of the 15 museums we have discounted or free passes to this winter! Museum passes are generously funded by our Friends of the Dover Public Library group.

To see a full list of our museum passes and make a reservation, click on the "Museum Passes" button at the bottom of the library's home page.

I checked out/placed a hold on a museum pass

### Activity #5: Follow us on social media

There are a lot of ways to keep in touch with the library. See what we're up to and get a behind-the-scenes look at what happens at the library by following us on one of our social media platforms.
