## TEEN SUMMER READING PROGRAM

Program runs from  
June 20 - July 29

**Dover**  
public library  
Solutions and Delight

## WHO CAN SIGN UP?

Teens entering grades 6-12 are welcome to participate in this program.

If you're younger, no worries! We have a program for children (5th grade & under) as well.

## HOW TO SIGN UP

Register at any time starting June 20 at 9am. When you sign up, you'll get a calendar to keep track of the hours you spend reading and doing physical activities.

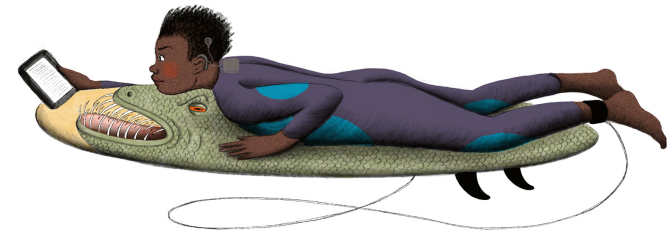

## HOW IT WORKS

Register for the program and receive a reading log calendar where you can record your reading and activity times. We will also be using the Beanstack app to record time digitally.

For every two hours spent reading or doing physical activities (biking, swimming, hiking - whatever gets you moving!) you'll receive a raffle ticket that you can use to enter for a prize. Add up your time, then bring your reading log to the Library's Reference Desk to check in with Emily and receive your raffle tickets and prizes!

## PRIZES

We will be offering prize raffles every week during the program, so be sure to check in frequently to receive your raffle tickets! Prizes include gift cards to local businesses, Squishmallows, books, games, and more!

## EVENTS

We have loads of events planned for the summer including interactive movies, tie-dying, gaming nights, Nailed It!, take & make crafts, and more! We will also have many ocean-themed programs to tie into this year's theme. For a complete list of events, visit [library.dover.nh.gov/events](http://library.dover.nh.gov/events) or ask a librarian!

## COMMUNITY READ

In honor of this year's theme, Oceans of Possibility, we're inviting you to join us in reading either The Old Man and the Sea by Ernest Hemingway or The Young Man and the Sea by Rodman Philbrick. We'll have many copies at the desk to check out and will be giving away even more for FREE around downtown Dover at local businesses!
