## Newspaper Flowers

### You will need:

- newspaper or magazine pages
- small piece of colored paper
- scissors/ glue stick/ tape/ stapler (optional)
- straw (or pipe cleaner, craft stick, pencil)

### Directions:

1. Cut six strips, about 6 inches long, from a newspaper or magazine. Trim the ends of the strips to make them rounded.

2. Staple or glue the strips together as shown.
3. Cut a circular shape from your colored paper. Glue the circle to the center of the stapled paper strips.
4. Tape or glue a straw or pipe cleaner (or craft stick or pencil) to the back of your flower. Make leaves for your flower if you'd like. Have Fun!
