

At Home Creation Station – SRP 2020 – Week 7

Storytelling Finger Puppets

At home supplies needed:

Latex-free glove
Sharpie markers
Your imagination

Directions:

Use your sharpie markers to draw a different character on each finger of your glove. These DIY finger puppets are a great way to enhance storytelling – either making up your own stories or retelling stories you’ve already heard. Make a glove with characters to match your favorite story or use your imagination make up your own characters and tell your own story! Have fun!
