

YARN FONTS

TEEN STEAM ACTIVITY

YOU WILL NEED:

- Pipe cleaners
- Scrap yarn, ribbon, or embroidery floss
- Scissors
- Hot glue (optional)

1. Connect your pipe cleaners by twisting them together, then form a word by bending them into whatever style you like.

2. Once you've formed your word, take your yarn scraps and begin tying the yarn around the pipe cleaners. Once the yarn is tied on, start to wrap the yarn loosely around the pipe cleaners until the desired thickness and lengths have been reached. Use hot glue to help secure yarn ends if you'd like.

3. Once the pipe cleaners are covered in yarn, you can reshape your letters if they've shifted during the wrapping process.
4. Display your creation!
