Silver Street traffic now one-way

The Silver Street traffic pattern is now one way, effective April 8, 2015.

Silver Street (NH Route 9) will be a one-way street, inbound (easterly) only, from the intersection with Arch Street and Towle Avenue to the intersection with Central Avenue (NH Route 108). This pattern will be in effect at all times of the day, every day, through at least the end of

September.

The suggested detour route for passenger cars from downtown will be via Washington Street to Arch Street. The intersection of Washington/Arch Streets will be converted to a three-way stop during this project in order to help safely process the extra traffic. The secondary detour (truck route) will be via Central Avenue to the Spaulding Turnpike.

Severino Trucking, the city's contractor for this reconstruction project, is mobilizing in the Silver Street area. Some construction will continue this season in the area west of the Arch Street and Towle Avenue intersection, but it is expected that this stretch will remain open to two-way traffic.

For more information, visit the Silver Street Reconstruction Project page [here](#) or contact Community Services at 516-6450.

Exit 5 northbound ramps closed for Spaulding Turnpike construction

The New Hampshire Department of Transportation has closed the Exit 5 northbound ramps on the Spaulding Turnpike in Dover for several months. Portable concrete barriers will be used at Exit 5 to close off the existing on and off ramps. The Exit 5 ramps will reopen later this summer.

A northbound traffic shift will allow for the construction of the new northbound tie-in from the Little Bay Bridge to the existing northbound lanes north of Exit 5. The Exit 5 ramps will be reconstructed to match the new alignment.

Motorists needing to access Wentworth Terrace and Hilton Park will be directed northbound to Exit 6W, and to a detour back to Boston Harbor Road and under the new Little Bay Bridge to get from the west side to the east side of the Turnpike. Southbound traffic needing to access Wentworth Terrace and Hilton Park, will be able to use Exit 6S and proceed to the signals at US Route 4/Boston Harbor Road.

Detour signs will be erected to show the new traffic pattern. Fire, emergency vehicles and school buses will need to use the detour. Boaters wishing to launch at Hilton Park should also take notice of this planned ramp closure and detour.

For more information, contact NHDOT at 603-271-3734.

Woodman Museum to unveil art gallery at open house event

New Hampshire's newest professional fine art gallery, located in a beautifully preserved Victorian Era home at 15 Summer St. in Dover, will host a celebratory Open House on Sunday, April 26, from noon to 3 p.m.. The public is cordially invited, and refreshments will be served.

The Keefe House Gallery will also unveil its inaugural exhibit on April 26 - *Voices from New England: Six Fine Artists Have Their Say* - featuring works by Dover painter Tom Glover, Dover photographer Tom Lavoie, Rochester painter Sherry Palmer, Portsmouth fiber artist Diane Stradling, West Falmouth, Maine, jewelry maker and encaustic artist Anne Strout, and Deerfield ceramic artist Don Williams.

The Keefe House Gallery will be open to the public, free of charge, from Sunday, April 26, through Sunday, June 28, during regular Woodman Museum hours.

Both the Inaugural Exhibit and the Open House are unwritten by Dermatology and Skin Health on Central Avenue in Dover.

Voices from New England is also doubling as a fundraising event to support the Woodman Museum, which was founded in 1916 and continues to offer many fine exhibits and special events for visitors from across New England, around the country and overseas. As a part of the fundraiser, Keefe House at The Woodman will raffle off an elegant, professionally framed artwork - *Eagle with Spread Wings* - painted by well-known Dover artist Tom Glover. Raffle tickets will be available for purchase during the entire run of the exhibit, and the winner will be announced shortly after the end of the exhibit on June 28.

Dover historian and photographer Thom Hindle, who has been deeply involved in the Woodman Museum for more than 30 years and serves as the official Museum Curator, has great hopes for the future of both the Woodman Museum and the Keefe House Gallery.

Hindle is pleased to have added a professional art gallery to Keefe House, and is especially proud of its colorful history.

"Keefe House was built in 1825 for Dover pharmacist Asa Tufts," Hindle said. "Eventually it became the home of two-term mayor F. Clyde Keefe, then remained in the Keefe family for three generations before being purchased by the Woodman Museum. Now, after an extensive interior renovation, the second floor of Keefe House is the repository for primary source documents, with the Keefe House Gallery in three stately, beautifully appointed rooms

on the first floor. We're looking forward to welcoming visitors to both the Woodman Museum and the Keefe House Gallery, throughout the summer and beyond."

The Woodman Museum is open Wednesdays through Sundays, 10 a.m. to 5 p.m. For more information about the Sunday, April 26 Open House, the purchase of raffle tickets, and Keefe House Gallery's Inaugural Exhibit, Voices from New England, call 603-742-1038 or send an e-mail to Ross Bachelder, the Exhibit Curator, at artsmultiple@gmail.com.

Resolved, by the City Council of the City of Dover, that the sum of ten thousand dollars, or so much thereof as may be needed, be and hereby is appropriated for the benefit and wants of the families of those who have responded, or shall respond to the call of their country for the support of its Constitution and Laws, and that the Mayor with such as the Common Council may join, be a committee to properly distribute the same. The City Treasurer was authorized to borrow \$3000, to meet extra expenses.

The City Hall was also set apart for the use of the soldiers enlisting, for a drill room, and the Mayor was authorized to cause the National Flag to be displayed on the City Hall building and from the flag staffs on Franklin Square, the expense thereof to be paid from any money in the treasury not otherwise appropriated.

A recruiting office was opened April 17, by George W. Colbath, by authority from the Governor.
