## 400 for 400 Campaign off to a strong start

Dover's 400th Anniversary Committee recently launched its 400 for 400 campaign, seeking 400 people to each contribute \$400 to support Dover's 400th birthday celebration in 2023. The campaign is off to a strong start having already received 18 donations from community-minded individuals and businesses.

The campaign was initiated by Dennis Ciotti who challenged others to match his donation. Since then, other philanthropists have stepped up, such as: Linda Hayden, Cathleen Beaudoin, Katherine Parker-Wright, Marilyn Follansbee, Tyler and Patricia Foss, Phillip and Donna Rinaldi, Lawrence David, Dennis and Darlene Shanahan, Thomas Allen, Bob Carrier, Walter King and Maria Soccorro Quisumbing-King, Karen Weston, and Alan Crowell.

The Committee would also like to celebrate the following corporate donors: The Greater Dover Chamber of Commerce, Bamford Investment Company LLC, McEneaney Survey Associates, Inc, and Dover Public Administrators Association.

"This event is only possible because of the continued support from our community," said Kevin McEneaney, chair of the Dover 400 committee. "We're so excited to celebrate the rich history of our town and make this a special occasion for all Dover residents."

Under Section 170 (c) (1) of the Internal Revenue Code, donations to Dover 400th Anniversary Committee are tax deductible.

## City Council approves new polling places for three wards

At its meeting on July 24, 2019, the City Council approved changing polling places for Wards 1, 2 and 3. As a result of the vote, the new polling places are now in effect. The first election with the new polling places will be the Municipal Election in November.

The new polling places are as follows:

- **Ward 1**, Horne Street School, 78 Horne St.
- **Ward 2**, Woodman Park School, 11 Towle Ave.
- **Ward 3**, St. Ann's Rehabilitative Center, 195 Dover Point Road

The polling places for Wards 4, 5 and 6 remain the same. They are:

- **Ward 4**, Elks Lodge, 282 Durham Road
- **Ward 5**, St John's Methodist Church, 28 Cataract Ave.
- **Ward 6**, Riverside Rest Home, 276 County Farm Road

The changes to polling places were necessary after the Attorney General's Office deemed the existing polling places in Wards 1, 2 and 3 to be insufficient due to parking and accessibility to the public during voting hours.

The use of the elementary schools for new polling places was approved earlier this year by the School Board.

For an interactive map of Dover's polling places, visit the City of Dover's Election Information page here:

## This week in DOVER HISTORY

The following events are recorded in "Notable Events in the History of Dover, New Hampshire: From the First Settlement in 1623 to 1865," by George Wadleigh, and several other historical sources.

For more on the history of Dover, settled in 1623 and the oldest permanent settlement in New Hampshire and seventh oldest in the country, visit the Dover Public Library, Locust Street; and the Woodman Museum, Central Avenue. The Public Library also maintains an online collection of historical information, [located here](#).

**July 28, 1665** - The treasurer was ordered to pay for the killing of a wolf in the year 1663, "as appeareth in a note under the Constable's hands, in the hands of John Hall, Deacon, under the selectmen's hands," the money to go to the said John Hall, Deacon, and fifteen other persons, each to receive an equal portion. As the price for killing a wolf was but 5 pounds. The share of each could not have been large, though it was very proper, as the town had given its note for the amount, that the same should be paid.

**July 26, 1696** - The people of Dover were waylaid as they were returning from the public worship, when three were killed, three wounded, and three carried to Penobscot, from whence they soon found their way home. The persons killed were Nicholas Otis, Mary Downs and Mary Jones; those wounded were Richard Otis, Anthony Lowden and Experience Heard; those captured were John Tucker, Nicholas Otis, Jr. and Judith Ricker. As these persons all appear to have lived between Waldron's garrison and Garrison Hill, it is probable that the attack was between the upper falls and the brow of the hill before reaching Otis' Garrison.

**July 27, 1830** - Present appearances promise an unusual crop of potatoes. Some farmers have offered them at ninepence a bushel, in anticipation of the harvest. Good hay is now selling for \$5 a ton. (Dover Enquirer)

**July 26, 1831** - John H. Rand, while at work on the Dye House of the Manufacturing Co., fell 15 feet and was instantly killed.

**July 31, 1848** - Died, Alfred I. Sawyer, aged 49 - a useful and enterprising citizen, and the founder of the "Sawyer Woolen Mills."
